#### before using this guide...

Verify that you have done the following:

- set up the printer
- installed a 3Com Bluetooth PC card in your laptop
- know the location of the hpf995k.inf file for your language.

#### to find the hpf995k.inf file:

- On the dj995 CD, the hpf995k.inf file is under <language abbreviation>/drivers/win2k\_xp. For example, the English hpf995k.inf file is under enu/drivers/win2k\_xp/ hpf995k.inf.
- For additional questions on the location of the dj995 driver and hpf995k.inf file, please see your System Administrator.

# open the 3Com Bluetooth Connection Manager

1. Click Start > Programs > 3Com Mobile > Bluetooth Connection Manager.

The Bluetooth Connection Manager opens.

Step 1 of 17

#### open the Bluetooth COM Ports box

2. Click Tools > Com Port.

The Bluetooth COM Ports dialog box opens.
