

User Documentation Updates Required: LJ2300 Family, May 27, 2003

The matrix below will explain what User document is affected, what issue specifically has changed, what page is changed, and what the correct information is.

Document affected	Specific Issue that is incorrect	Page # in doc.	Description of what should be stated in the document.		
User Guide	Power Consumption	132	This memo is to only add clarification to the information on the page, the page is correct. When power consumption is stated for the 20ppm and 25ppm printers, this refers to letter size being printed. Change current wording to: (20 ppm-Letter), and (25 ppm-Letter).		
User Guide	Electronic Specifications	133	Under Printer Specification, the electronic specification for voltage models need to be changed to 110-volt-models: 6A 220-volt-models: 3.5A		
User Guide	Disk Drive Support	71	Page 71 of HP LaserJet 2300 User Guide. Disk drives are not supported by the 2300 but under item 5 on page 71 it is stated - Lists the status~ and disk drive (if one is installed in the printer) This part of the text is not required since it is an unsupported device for the 2300.		
User Guide	Sound Pressure for HPLJ2300L	133	Product	Positioning Type	Declared per ISO 9296
			LJ2300L at 20 ppm	Printing: Sound Power	$L_{WAd} = 6.6 \text{ bels(A)}$
			LJ2300 (all others) at 25ppm	Printing: Sound Power	$L_{WAd} = 6.7 \text{ bels(A)}$
			LJ2300L at 20 ppm	Printing: Bystander	$L_{pAm} = 52 \text{ dB(A)}$
			LJ2300 (all others) at 25ppm	Printing: Bystander	$L_{pAm} = 52 \text{ dB(A)}$
			LJ2300L at 20 ppm	Printing: Operator	$L_{pAm} = 59 \text{ dB(A)}$
LJ2300 (all others) at	Printing: Operator	$L_{pAm} = 59 \text{ dB(A)}$			

			25ppm		
Getting Started Guide	Exiting from control Panel Menus	13	To exit from a control panel menu, simply hit the RETURN button until the READY message comes up on the screen. Or, hit the PAUSE/RESUME key to return immediately to the READY message.		
500 Sheet Install Guide and Getting Started Guide	Which do we use first?		We recommend setting up the 500 sheet tray first and then install the printer on top of that.		
500 Sheet Install Guide	Missing instructions to remove Shipping Retainer	Step 4	Missing instructions to remove the orange shipping lock in the Tray. Please remove this (see your use guide for how to remove from Tray 2, the steps are the same).
