

HP OfficeJet T65 Series Front Panel Key Presses

Using the fax menu

Press the FAX MENU button to open the fax menu selections. Press the left and right arrow buttons to move through the selections. Press the ENTER button to move to the next group of selections or to save a setting.

Lighter/Darker

Use the left and right arrow buttons to choose from 5 different contrast settings.

Auto Answer

Toggles between manual fax reception and automatic.

Redial

No Redial
Redial

Reduces loss and addition of data caused by line noise.

Allows reception from older fax machines that do not emit fax tone.
