

Q164790232

Macintosh Users START HERE

Macintosh® OS 9, OS X

Make sure you are using the correct side of the poster.
Windows users: see other side.
See your box for exact contents and requirements.

1 Attach the front panel overlay

a Lower the input tray and the print cartridge access door. Remove the packaging. Close the print cartridge access door.
b Remove the front-panel overlay from the barcode backing.
c Raise the lid. Align the overlay with the recessed area on the unit next to the buttons. Press the overlay firmly into place.

2 Load plain white paper

3 Connect the USB cable

If you have an iMac, your USB port is on the side. Do not connect the HP PSC to a USB port on a keyboard or a non-powered USB hub. See the reference guide for more details.

4 Connect the power cord

5 Turn on your HP PSC

The On light button turns green. This may take a few seconds.

6 Insert the print cartridges

a Pull the print cartridge access door down. Wait for the print carriage to move to the center.
b Remove the bright pink tape from the print cartridges. Do not touch the gold-colored contacts or re-tape the cartridges.
c Hold the black print cartridge with the HP logo on top. Slide the cartridge at a slight angle into the right side of the print cartridge access door.
d Press firmly until the black print cartridge snaps into place.
e Repeat steps c & d with the color print cartridge. Make sure both cartridges are secure.
f Close the print cartridge door. A print cartridge alignment page prints. This may take up to a minute. Use this page in step 7.

7 Align print cartridges

For best print quality, follow these steps:

a Place the page face down on the front left corner.
b Close the lid.
c Press the **Scan** button.
d After the On light stops blinking, alignment is complete. Discard or recycle the page.

8 Install the software

a Turn your Macintosh on and wait for your Macintosh to finish starting up. Insert the hp psc disc.
b Double-click the HP All-In-One Installer icon on your desktop.
c Follow the onscreen instructions. You may have to restart your Macintosh during setup. Be sure to complete the setup assistant.

9 Try the HP PSC

Congratulations! You are now ready to use the HP PSC. See the "Quick Start" chapter in the reference guide or in the Director, click Help.

Make sure there are five icons in the HP Director Window. If not, see the reference guide.
