

### 1 Windows users START HERE Pengguna Windows MULAI DARI SINI

**This side of the poster is for Windows users only.**  
Follow the steps on this poster in order.  
Do not connect the USB cable until the software prompts you to do so.

Designed for Microsoft® Windows® XP

Windows 98, 2000, ME, XP

**Bagian poster ini hanya untuk pengguna Windows.**  
Ikuti langkah dalam poster ini secara berurutan.  
Jangan menyambungkan kabel USB sebelum petunjuk perangkat lunak meminta Anda untuk melakukannya.

### 2 Unpack the device Keluarkan perangkat

Windows PC

### 3 Turn on the computer Nyalakan komputer

Turn on your computer and wait for the Windows PC desktop to appear. Close any open programs.

Windows PC desktop  
Desktop Windows PC

Nyalakan komputer Anda dan tunggu sampai desktop Windows PC muncul.  
Tutup setiap program yang terbuka.

### 4 Begin software installation Mulai instalasi perangkat lunak

**a** Insert the Windows HP Officejet CD and follow the onscreen instructions.  
*If nothing appears on your computer screen after you insert the CD, see the Troubleshooting Information chapter in the Reference Guide.*

**b** When you see the Set Up Your Device Now screen, leave your computer and proceed to step 5 on this poster. **Do not connect the USB cable yet.**

**a** Masukkan CD Windows HP Officejet dan ikuti instruksi pada layar.  
*Bila tidak ada apapun yang muncul pada layar komputer anda setelah anda memasukkan CD, baca bab Informasi Pemecahan Masalah dalam Buku Petunjuk.*

**b** Saat Anda melihat layar Set Up Your Device Now [Pasang Perangkat Anda Sekarang], tinggalkan komputer Anda dan lanjutkan ke langkah 5 poster ini. **Jangan menyambungkan kabel USB saat ini.**

### 5 Attach the front panel covers Pasang tutup panel depan

**a** Align the larger cover over the buttons on the top of the HP Officejet and snap into place.  
**b** Align the smaller cover over the buttons on the front of the HP Officejet and snap into place. Make sure all the buttons can move freely.

**a** Selaraskan tutup yang lebih besar di atas tombol pada bagian atas HP Officejet dan tekan sampai masuk ke tempatnya.  
**b** Selaraskan tutup yang lebih kecil di atas tombol pada bagian depan HP Officejet dan tekan sampai masuk ke tempatnya. Pastikan semua tombol dapat bergerak bebas.

### 6 Load plain white paper Muat kertas putih biasa

**a** **b** **c**

### 7 Connect the power cords Sambungkan kabel listrik

**a** **b** **c**

### 8 Connect the supplied phone cord Sambungkan kabel telepon yang disediakan

Connect the supplied phone cord to the open 1-LINE jack on the left.  
To connect other equipment such as an answering machine, or to use a different cord, see the Fax Setup chapter in the Reference Guide.

Sambungkan kabel telepon yang disediakan ke lubang 1-LINE yang terbuka di sebelah kiri.  
Untuk menyambungkan peralatan lain seperti mesin penjawab telepon atau untuk menggunakan kabel yang berbeda, baca bab Fax Setup [Pemasangan Faksimile] dalam Buku Petunjuk.

### 9 Connect the USB cable Sambungkan kabel USB

Make sure that you see the Set Up Your Device Now screen on your computer, then connect the USB cable. Do not connect the USB cable to a keyboard or a non-powered USB hub.

Pastikan Anda melihat layar Set Up Your Device Now [Pasang Perangkat Anda Sekarang] pada komputer Anda, lalu sambungkan kabel USB. Jangan sambungkan kabel USB ke keyboard atau sambungan USB nonlistrik.

### 10 Turn on the device and set the language and country/region Nyalakan perangkat dan atur bahasa serta negara/wilayah

**a** Press the On button to turn on the device. Wait for the display prompt.  
**b** Select your language, then press the OK button.  
**c** Select your country/region, then press the OK button.

**a** Tekan tombol On [Nyalakan] untuk menyalakan perangkat. Tunggu petunjuk tampilan.  
**b** Pilih bahasa Anda, lalu tekan tombol OK.  
**c** Pilih negara/wilayah Anda, lalu tekan tombol OK.

### 11 Open the print-carriage access door Buka pintu akses print carriage

Lift the print-carriage access door. The print carriage slides to the middle.

Angkat pintu akses print carriage. Print carriage bergeser ke tengah.

### 12 Insert and align the print cartridges Masukkan dan selaraskan print cartridge

**a** Remove the bright pink tape from the print cartridges. Do not touch the gold-colored contacts or retape the cartridges.

**b** Hold the black print cartridge with the large HP label and the raised markings on top. Slide the cartridge at a slight angle into the right side of the print carriage. Press firmly until the print cartridge snaps into place.

**c** Hold the color print cartridge with the large HP label and the raised markings on top. Slide the cartridge at a slight angle into the left side of the print carriage. Press firmly until the print cartridge snaps into place. Make sure that both print cartridges are secure.

**d** Close the print-carriage access door and press the OK button. Within a few minutes, a print cartridge alignment page prints. Place the alignment page face down in the left front corner of the glass. Close the lid.

**e** Press the OK button. When "Alignment is complete" appears on the display, alignment is complete. Discard or recycle the alignment page.

Lepaskan pita merah muda dari dua print cartridge. Jangan menyentuh kontak berwarna emas atau memasang kembali pita.

Pegang print cartridge hitam dengan label HP besar dan tanda yang menonjol menghadap ke atas. Geser cartridge sedikit miring ke dalam bagian kanan print carriage. Tekan dengan kuat sampai print cartridge masuk ke tempatnya.

Pegang print cartridge hitam dengan label HP besar dan tanda yang menonjol menghadap ke atas. Geser cartridge sedikit miring ke dalam bagian kiri print carriage. Tekan dengan kuat sampai print cartridge masuk ke tempatnya. Pastikan ke dua print cartridge aman.

Tutup pintu akses print carriage dan tekan tombol OK. Dalam beberapa menit, halaman penyalarsan print cartridge dicetak. Tempatkan halaman penyalarsan menghadap ke bawah di sudut kiri depan pada kaca. Tutup.

Tekan tombol OK. Saat "Alignment is complete [Penyalarsan selesai]" muncul pada tampilan, penyalarsan telah selesai. Buang atau daur ulang halaman penyalarsan.

### 13 Finish software installation Selesaikan instalasi perangkat lunak

**a** Hardware setup is now complete. Return to your computer.  
**b** Click Next on the screen with the green checkmark. Depending on your system, it may take 20 minutes or more to finish installing the software.  
**c** After you restart your computer, the Fax Setup Wizard appears. Follow the onscreen instructions. When the Congratulations screen appears, you are ready to use your HP Officejet. If you encounter problems during setup, see the Reference Guide.

**a** Pemasangan perangkat keras telah selesai. Kembali ke komputer Anda.  
**b** Klik Next [Selanjutnya] pada layar dengan tanda periksa berwarna hijau. Tergantung pada sistem Anda, hal ini bisa memakan waktu 20 menit atau lebih untuk menyelesaikan penginstalan perangkat lunak.  
**c** Setelah Anda menyalakan kembali komputer Anda, Wizard Pemasangan Faksimile muncul. Ikuti petunjuk pada layar. Saat layar Congratulations [Selamat] muncul, Anda siap menggunakan HP Officejet Anda. Bila Anda mendapat masalah selama pemasangan, baca Buku Petunjuk.

### 1 Macintosh users START HERE

**This side of the poster is for Macintosh users only.**  
Follow the steps on this poster in order.

### 2 Unpack the device

Macintosh

### 3 Attach the front panel covers

**a** Align the larger cover over the buttons on the **top** of the HP Officejet and snap into place.  
**b** Align the smaller cover over the buttons on the **front** of the HP Officejet and snap into place. Make sure all the buttons can move freely.

### 4 Load plain white paper

**a** **b** **c**

### 5 Connect the supplied phone cord

Connect the supplied phone cord to the open 1-LINE jack on the left.  
To connect other equipment such as an answering machine, or to use a different cord, see the Fax Setup chapter in the **Reference Guide**.

### 6 Connect the power cords

**a** **b** **c**

### 7 Connect the USB cable

If you have an iMac, the USB port is on the side. Do not connect the HP Officejet to a USB port on a keyboard or a non-powered USB hub.

### 8 Turn on the device and set the language and country/region

**a** Press the **On** button to turn on the device. Wait for the display prompt.  
**b** Select your language, then press the **OK** button.  
**c** Select your country/region, then press the **OK** button.

### 9 Open the print-carriage access door

Door

Lift the print-carriage access door. The print carriage slides to the middle.

### 10 Insert and align the print cartridges

**a** Remove the bright pink tape from the print cartridges. Do not touch the gold-colored contacts or retape the cartridges.

**b** Hold the black print cartridge with the **large HP label and the raised markings on top**. Slide the cartridge at a slight angle into the **right** side of the print carriage. Press firmly until the print cartridge snaps into place.

**c** Hold the tri-color print cartridge with the **large HP label and the raised markings on top**. Slide the cartridge at a slight angle into the **left** side of the print carriage. Press firmly until the print cartridge snaps into place. Make sure that both print cartridges are secure.

**d** Close the print-carriage access door and press the **OK** button. Within a few minutes, a print cartridge alignment page prints. Place the alignment page face down in the left front corner of the glass. Close the lid.

**e** Press the **OK** button. When "Alignment is complete" appears on the display, alignment is complete. Discard or recycle the alignment page.

### 11 Install the software

**a** Turn on your Macintosh and wait for it to finish starting up. Insert the Macintosh HP Officejet CD.

**b** Double-click the HP All-in-One Installer icon on the desktop.

**c** Follow the onscreen instructions. You may have to restart your Macintosh during setup. Be sure to complete the setup assistant.

### 12 Try the HP Officejet

Congratulations! You are now ready to use the HP Officejet. Select the **HP Director** icon in the dock to get started.

If you encounter problems during setup, see the **Reference Guide**.
