## Storage Capacity

- > Holds more than 400 CDs or 5,000 songs, so you can store all your music in one place.
- > No more bulky CDs and tapes. They're free to be used in your car or a portable player.
- > Storage capability is flexible – you can delete songs you no longer want to include.
- > Recording bit rate can be adjusted for higher quality or more capacity.

## Customization

- > Personalize your playlists to create your favorite mixes or set the mood for any occasion; or weed out the songs you skip over on your favorite CDs.

## Organization

- > Organize and locate your music easily with the Visual Music Guide, and view your lists on your TV screen.
- > No need to memorize the order of slots on your CD carousel again.

## Internet Radio

- > Select from thousands of worldwide Internet radio stations, and organize your favorite stations into an easy-to-use guide.

## Internet Enhanced by OpenGlobe

### Entertainment Services

- > CDs are identified as they are recorded through an Internet database service at no extra cost. Artist names, song titles and genres are all listed, so you don't have to type in the information.
- > Get recommendations on new music based on your preferences, and purchase these recommendations online.
- > Web Sync button takes you to your own Internet home page with one touch, letting you make playlist changes and system setting changes remotely.

### Supports Other Devices

- > Analog and digital inputs.
- > Supports Compaq *iPAQ* Personal Audio players.
- > The full-function remote control can be used from anywhere in the room.
- > Optional wireless or USB keyboard supports easier text entry.

## Network Connectivity

- > Easily transfer downloaded MP3 files from your PC through HomePNA.
- > Reads CD-ROM/CD-RW disks of MP3 files recorded on your PC.
- > Customize and make playlists on the *iPAQ* Music Center from any PC in the home.

## Easy to Use

- > Compatible with your existing entertainment center components – TV, stereo and S-Link-compatible CD changer.\*
- > 2-line, 20-character VFD display, so you don't have to turn on your TV to look at the playlist.
- > You can use your existing Internet Service Provider<sup>2</sup>, so there's no additional monthly fee for the online access.

## Warranty

- 1-year Limited Warranty<sup>4</sup> includes:
  - > Out-of-warranty fee-based assistance, including technical assistance and product diagnosis.
  - > If a problem is found, your Music Center will be mailed to Compaq to be repaired and returned. Compaq pays for all shipping charges.

## Compaq Extra Mile Service and Support

- > Toll-free and electronic access to technical support for hardware diagnosis.
- > Integrated self-help and preventive care assistance to maintain peak product performance.
- > For the fastest path to the right answers, go first to [www.compaq.com/consumersupport](http://www.compaq.com/consumersupport).
