---

**Recovery, built-in**
HP has preinstalled the System Recovery software on the hard drive in case you need to recover the original software that came with your PC.
- There are no CDs to lose — it’s on your hard drive.
- It’s easy to use, just use Software Repair Wizard to begin.
- It’s faster than traditional CD Recovery methods.
- It’s easy. Just use Software Repair Wizard to begin.

If you would still like a set of Recovery CDs, you can use this tool to create your own for future use. See your user documentation for complete instructions.
