

# Start Here

## Thank you for purchasing an HP PL4245N 42" Plasma HDTV

Your setup time may vary.

- Identify the type of connectors your home entertainment equipment uses, then go to the corresponding step on this poster and follow those directions. (Example: To connect a cable or satellite set-top box which connects via S-video cabling, refer to step 7, "Connect an S-video device.")
- Refer to the user documentation for advanced connections.
- Apply power to all components and then to the TV.
- Finally, refer to the section titled "Setting Up Your Channels" in your user documentation to finalize your TV setup.

### Contents

- HP plasma TV
- TV stand
- Speakerbars (2)
- Documentation kit
- Remote control with AA batteries (2)
- Speaker cables (2)
- Antenna cable
- AC power cable

The information in this document is subject to change without notice.

Connectors are located on the back of the TV, under the back panel.

### 1 Attach Brackets to Speakers
