

## 7 Audigy 2ZS Platinum Remote Control

Select models only

## 8 Start Up

**IMPORTANT:** When the computer starts, the operating system automatically converts the file system on your hard drive. The conversion may take several minutes. Do not stop the process. When the conversion is completed, the computer restarts. When prompted, begin your product registration process. Online instructions guide you through the registration and preinstalled software setup process. The setup time varies by computer configuration.

## Additional Connectivity

**For support, additional documentation, and drivers:**  
 Contact HP Support on the Internet at [www.hp.com/support](http://www.hp.com/support)  
 Select your country/region and language. Type in your model number.
