Final Setup
Remote control, keyboard, FM radio

Remote Control
Press any key to check if batteries are correctly installed. The indicator light should blink.

Keyboard Setup
Install AA batteries in remote control.

FM Radio Setup
Pull tab to power keyboard.

Installation Overview

IMPORTANT: The HP Digital Entertainment Center must be installed in an area with an open back to ensure proper ventilation.
TV Sources
Dual Digital Cable Box or Digital Satellite Receiver®
Select only one TV source option, then proceed to Final Setup

---

**Tips**

- You may need to change the input selection on the front panel of your AV receiver or AV remote control in order to hear sound. See your AV receiver documentation.
- For Options 2 or 3, you may need to purchase additional RCA stereo cables.
- You may not need to connect all plugs. Refer to the User’s Guide for detailed instructions.

Features

Easy to set up and fun to use
Enjoy more of your TV, movies, music, photos, and home videos in one place. A simple and delightful interface that puts you in control of your complete entertainment experience. Designed to integrate easily into your existing home entertainment components.

Watch what you want, when you want
Pause and replay live TV and record hundreds of hours of your favorite TV shows without a monthly fee, or enjoy DVD movies in high quality video and digital surround sound.

Easily preserve and share memories
Capture, personalize, and create DVDs of your home movies and back up your photos, music, or favorite TV programs on DVD. Use the optional HP Personal Media Drive as an easy way to add more storage or archive for your digital content.

Explore a whole new world of on-demand entertainment
Explore the Internet for exciting content like on-demand movies and music through Online Spotlight, or instant message friends while watching your favorite TV shows.

Go to http://www.hp.com for the latest updates and more information.
