

My Compaq Presario PC

COMPAQ

Thank you

Thank you for purchasing a Compaq Presario PC. To help you get the most out of your new purchase, we've put together this brochure to acquaint you with several features of your new PC and additional products and services that may be of interest to you.

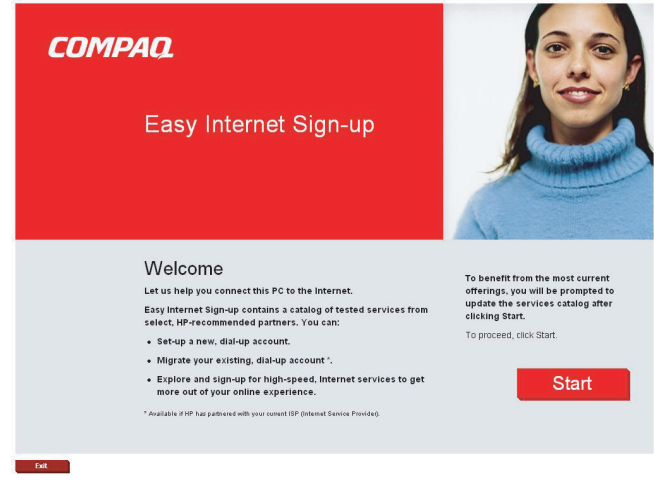

Easy Internet Sign-up, the easy way to find an ISP!

Do you ever wish there were a quick way to get online with quality ISPs* (Internet service providers) that work with your PC? Have you wondered how leading ISP offers compare with one another? The Easy Internet Sign-up program can help you decide.

With your purchase of an Compaq Presario PC, you are entitled to take advantage of special Internet access offers. Easy Internet Sign-up arranges preselected ISP offers in easy-to-view categories, making it simple to compare options and sign up for a new ISP account or transfer an existing one.

* Internet access requires a separately purchased service contract. Represents only those ISPs with whom HP has a relationship.

Compaq Organize your desktop so it makes sense to you!

Customizing your PC just got easier with the Compaq Organize application. It's designed to manage all your files, programs, and favorite Web links in one place. In addition to managing and accessing your favorite links, you can search for files, listen to music, view photos, and watch videos. Now Compaq Organize also has a new metallic skin with the *Compaq Secure* module showing you the state of your PC's security programs — just take a look!

- Go to **your** Web destinations or access local PC files with one simple mouse click.
- Find **your** information using a convenient Search bar.
- Visually monitor **your** PC's security state using the *Compaq Secure* module.
- Customize with ease — drag and drop new links into **your** categories, or change which categories show.
- Download fun skins and new content for **your** Organize from the Compaq Organize Drag & Drop Spot.

Quicken 2005 New User Edition*

Included with your PC purchase!
Track, balance, and budget your finances in minutes!

Track

- See where your money goes. Sort your expenses by date, amount, payee, or category — like “groceries” or “charities.”
- Find answers fast. How much did you spend on dining? How does it compare to last month?

Balance

- Balance your checkbook. Reconcile your bank statements in minutes. Quicken does the math, so records are more accurate.
- Stay on top of it all. Automatic downloads from credit cards and checking and savings accounts make reconciling a snap.*

Budget

- Create a budget. Answer questions about your goals. Quicken helps you set a budget that works.
- Pay bills on time. Avoid late fees and save time. Pay your bills from Quicken in just a few clicks.*

* Designed for new users, this version does not import previous Quicken data. Online features require Internet access. Services vary among financial institutions and may be subject to additional terms, conditions, and fees.

Your all-in-one Internet security resource center

Your Compaq Presario PC comes with award-winning security protection from Symantec

Norton
Internet Security™

Symantec Security Connection takes the guesswork out of online protection. This all-in-one resource center includes educational articles, expert advice, useful online tools, and real-time security alerts. The site provides information to help you understand security-related issues and to help you better protect your PC against emerging Internet threats.

Award-winning **Norton Internet Security** is preinstalled on your new HP system to provide you with essential protection from viruses, hackers, and privacy threats.

HP has included a 60-day complimentary subscription to protection updates. Norton Internet Security will alert you when your complimentary subscription is about to expire. To continue to protect your PC and the data stored on it from Internet threats, a current subscription is necessary.

Configure Norton Internet Security before accessing the Internet with your new PC.

Safely Remove Spyware

Spyware is the #1 privacy threat to PC users everywhere.

Spyware can easily hide on your PC and send valuable personal information over the Internet.

Credit card numbers, screenshots, chat sessions, Web browsing — almost anything that you do on your PC can be captured by spyware.

Use the SpySubtract software preloaded on your PC to keep you safe from spyware (60-day trial).

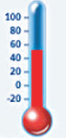

Scan your PC often with SpySubtract. It is simple and quick, and your peace of mind is worth it.

Get live weather and traffic

WeatherBug weather-monitoring software is included on your new PC

WeatherBug provides true live streaming weather and traffic directly to your new PC for free. Receive live weather conditions, forecasts, and severe weather alerts for any city in the U.S. Plus, WeatherBug provides live traffic conditions for 20 of the largest metropolitan regions. When minimized, WeatherBug reports your live local temperature in your system tray. Activate WeatherBug to get your local weather free.

Start your wireless network with Linksys

LINKSYS®
A Division of Cisco Systems, Inc.

Start your wireless network with Linksys

Share your high-speed Internet connection, files, printing, and more—all without stringing wires! The Linksys Wireless-G broadband router is an all-in-one Internet-sharing router, 4-port switch, and 54 Mbps Wireless-G access point. Almost 5 times faster than 802.11b, it can also interoperate with any 802.11b device (at 11 Mbps).

Add a Linksys Wireless-G USB Network Adapter to your desktop, and connect it to a wireless network at up to 54 Mbps, without opening the case. The adapter plugs easily into a USB 2.0 port and is also compatible with Wireless-B networks (at 11 Mbps). It's the easy way to connect your desktop to a high-speed wireless network!

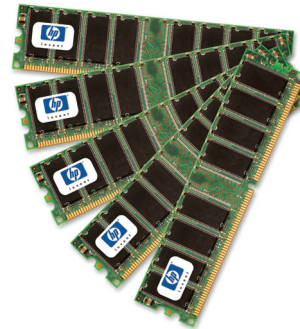

Valid in the U.S. only

Protect your investment

HP Total Care

HP products automatically come with award-winning HP Total Care support and service as part of your purchase.

Enjoy the benefits of HP Total Care:

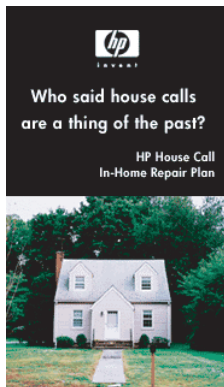

- HP Help and Support Center — on your Compaq Presario desktop.
- 24/7 assistance — online or toll-free over the phone.
- Prompt service — real-time chat or e-mail response in under an hour.
- Service plan options designed to meet your needs.

HP House Call

Get total peace of mind with HP House Call — the two-year or three-year in-home repair and service plan for your new Compaq Presario PC. Whether you need support over the Web, by phone, or in person, HP House Call has you covered.*

To purchase, or to find out more about HP House Call, contact HP by calling:
1-866-234-1377

In Canada: 1-877-231-4351

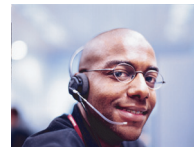

HP Total Care Extended Service Plans

Things happen. So, don't let the unexpected catch you off guard. What are you going to do when your standard HP warranty expires, and who can you trust? Relax — HP Total Care extended service plans have you covered.

HP Total Care extended service plans provide:

- Up to a three-year parts and labor coverage.
- 24/7 technical assistance with installation, product configuration, setup, and problem solving.
- Manufacturer-direct service and support.
- Express repair options** including door-to-door product pickup and delivery, freight paid both ways by HP.
- HP's Accidental Damage Protection for coverage of spills, drops, LCD damage, and other unexpected and inconvenient accidents.**

Get the most out of your HP investment when you purchase an HP Total Care extended service plan now. Don't wait; visit www.hp.com/go/totalcare to learn more about HP Total Care offerings, or to purchase a plan now, call toll-free 1-866-234-1377. Our HP Total Care advisors will help you select the service option just right for you. In Canada, visit www.hp.ca/go/totalcare, or call 1-877-231-4351.

*Need is determined by an HP support representative. Customer may be required to run system self-test programs or correct reported faults upon telephone advice. On-site services are provided only if the issue cannot be corrected remotely. HP House Call is not available for HP Media Center PCs, customized (made to order) PC products, or notebook PCs.

**Limitations may apply based on geographical location or type of damage. Door-to-door product pickup and Accidental Damage Protection not available in Canada.
