6 Print an alignment page

Printing an alignment page ensures high print quality.

1. Place a few sheets of HP Advanced Photo paper (sample pack included) in the input tray with the glossy sides facing toward the front of the printer.

2. Slide the paper to the left side of the input tray.

3. Adjust the paper-width guide to fit close to the right edge of the paper without bending the paper.

4. Press **OK**. An alignment page prints on the first sheet of photo paper. Follow the instructions on the printer screen.
