**Locating Your User's Guides**

- **HowToPackard** is committed to reducing the environmental impact of its products. As part of our ongoing efforts, the following documents may be located on your hard disk drive for your reference:
  - Getting Started guide
  - PC Basics Guide
  - Upgrading and Servicing Guide

To view the documents:
1. Click **Windows Start Button**.
2. Select All Programs.

**Where Are My Manuals?**

- HowToPackard is committed to reducing the impact of its products on the environment. In the context of this effort, electronic manuals are provided to reduce paper use. If you need printed copies, please visit our website.

**Power On**

- Please be patient while the computer starts for the first time. It may take up to 30 minutes, and you may hear clicking sounds. If you turn off your computer during this process:
  - Restart the computer when it is safe to do so.

- Never switch on or off PC under power by pressing the button. Always power off the PC after use.
