

HP StorageWorks Media Vault Pro mv2040

Datasheet

Easily back up, share, and access your data across your network and on the web¹.

- Worry-free, continuous onsite and secure offsite backup of PCs and laptops on your network¹.
- Online storage supports disaster recovery, compliance, and archiving. 2GB remote online storage included.
- Back up, centralize, and share your files in one step.
- 1 TeraByte (1000GB) base capacity. USB ports allow increased capacity up to 1.2 TeraBytes (TB) of storage.
- Configurable for redundant (RAID 1) backups for an extra level of data protection.
- Simple to set up and use with StorageWorks HP Media Vault Software.
- Continuous automatic offsite backup of critical files using Spare Backup¹.
- Backed by award-winning HP customer support offering one year of 24/7 toll-free assistance.

Expandable network storage with offsite backup and file access

Protect

- Connect the HP StorageWorks Media Vault Pro to your router using an Ethernet cable to support both wired and wireless networked computers across your network.
- Simple software lets you create automatic backups that can be set up to run weekly, daily, or continuously—as often as you need.
- File-level and system-level (PC image) backup software included.
- RAID 1 capable for redundant data protection.
- One-step PC restore in the event of a hard drive failure, virus, or spyware infection.
- Spare Backup service provides continuous automatic secure offsite backup of critical files using your high-speed internet connection.
- Local and offsite snapshot backup of work-in-progress allows quick recovery of prior versions of documents¹.
- Archive data periodically offsite in read-only form for compliance or historical purposes with Spare Backup service¹.
- Quick and easy online access and recovery of files.

Connect

- Easily manage, access, and share files locally or over the Internet.
- Collaborate with vendors, partners, and customers over the internet using Spare Room¹.
- Access up to 3 printers from PCs or notebooks on your network.
- Compatible with Windows®, Mac, and Linux-based computers².
- Easily transfer files when upgrading PCs.

Simplify

- Set it and forget it - install the HP StorageWorks Media Vault Pro in just a few simple steps and set it up to run 24/7.
- Ideal for businesses without an IT staff.
- Offload data from existing PCs or notebooks on the network to free-up hard disk drive capacity.
- Expands up to 1.2TB of storage — enough to hold up to 78,000,000 formatted pages, 4,000,000 spreadsheets, or 500,000 photos³.
