Finding Your User's Guide

HP Pavilion is committed to reducing the environmental impact of our products. As part of our ongoing efforts, the following documents may be located on your hard disk drive for your reference:

- Getting Started Guide
- Upgrading and Servicing Guide
- To view the documents:
  1. Click the Windows Start Button.
  2. Select All Programs.

First-time setup may take some time. When you see a message indicating it, please do not turn off your computer during this process.

Warranty:
