1 Keyboard and Mouse

Wired option

Wireless option
Refer to the setup instructions located in your keyboard box.

NOTE: The same receiver controls both the keyboard and mouse.

2 Monitor

Refer to the setup instructions that come with your monitor.

3 Speaker System

Refer to the setup instructions that come with your speakers.

4 Connect Power

Connect to electrical outlet. Grounded connection or connection to surge protector is recommended.

5 LAN/Modem

Please be patient while the computer starts for the first time. It may take up to 20 minutes, and you may see black screens. Do not turn off your computer during this process.

6 Power On

Locating Your User's Guides

HP is committed to reducing the environmental impact of our products. As part of our continuing efforts, the following documents may be located on your hard disk drive for your reference:
- Getting Started
- Upgrading and Servicing Guide

Finding Your User's Guides
