. CD - R, CD - RW,

DVD - R, DVD+R, DVD+RW, DVD+R DL.

The image shows a software interface for DVD burning. At the top, it lists supported DVD formats: "DVD - R, DVD+R, DVD+RW, DVD+R DL." Below this, there are two main icons: a floppy disk icon on the left and a green diamond icon with a white exclamation mark on the right. The text "(Scan)" is positioned below the floppy disk icon, and "(Scan to File)" is positioned below the green diamond icon. To the right of the green diamond icon, the text "(Account)" is visible. There are also some faint lines and dots in the interface, possibly representing progress or status indicators.
