

The HP Wireless Optical Mobile Mouse is the affordable portable optical mouse solution that combines functionality with elegance and style.

- Precise scroll wheel with clickable button.
- Low battery indicator light alerts you to replace battery.
- Just plug and play.

#### Features & Benefits:

- **Wireless freedom:** no wires to tangle or limit movement.
- **Maximum Comfort:** curved shape fits snugly in your hand and rubber sides improve grip
- **High Performance:** 800-dpi sensor provides precision with smooth tracking
- **Improved Control:** precise scroll wheel with clickable button.
- **Style:** elegant silver and black mouse with blue lit scroll wheel.
- **Easy to use:** No driver required for fast setup. Just plug and play.
- **Go Mobile:** integrated on/off button to save energy and wireless receiver attaches to the bottom of the mouse.
- **Smart:** Power Saving Management. Automatic standby mode after 1 second and Sleep mode after 8 minutes. Click any mouse button to wake the mouse instantly. Low battery indicator light alerts you to replace battery.
