Welcome to your *HP Designjet 100 color personal printer*

In this user guide we present all you need to know to get high-quality prints from your
HP Designjet 100 color personal printer

Information is organized in three major categories:

How do I....?

...helps you carry out various procedures like loading paper or changing an ink cartridge. Many of them are illustrated with graphic animations.

The Problem Is...

...helps you solve problems that may occur while printing.

Tell me About...

...contains reference information, including the specifications of the printer, and the part numbers of paper supplies and other accessories.

You can download the manual [here](#)
