

The HP Wireless Vector Mouse combines style and comfort in a modern design. Built-to-last the HP Wireless Vector Mouse provides you performance and advanced features at an affordable price.

Features & Benefits:

- High-Tech design: Piano black finish, high gloss silver paint accent, blue LED lighting the scroll wheel and smooth edges give your Vector mouse a distinctive style
- Ultra-Comfortable: Asymmetric design improves your hand comfort and the rubber material on both sides gives you enhanced control and soft touch and feel.
- Wireless freedom: no wires to tangle or limit movement
- Optical Performance: high-precision sensor provides precise, smooth and responsive tracking. No ball and no cleaning.
- Programmable buttons: 2 additional programmable buttons easily accessible on the top left side allow you launch applications, control sound volume, navigate backward and forward, zoom in and out or launch your favorite websites*.
- Advanced scroll wheel: 4-way tilt scroll wheel allows you to navigate right and left, in addition to scroll up and down.
- Save energy: the integrated on/off button at the bottom of the mouse allows you to conserve batteries
- Convenient wireless receiver: the included wireless USB receiver can be positioned on your desk to avoid interferences.
- Speed and control: Teflon feet gives your HP Vector mouse accuracy and progressive speed
