How do I?	Steps to perform
<p data-bbox="92 300 420 335">Use a printing shortcut</p> <p data-bbox="92 435 684 547">NOTE: Always select a shortcut before adjusting any of the settings on the right side of the screen. If you adjust the settings and then select a shortcut, all your adjustments are lost.</p>	<ol data-bbox="716 272 1318 416" style="list-style-type: none"> 1 Open the printer driver and click the Printing Shortcuts tab. 2 Select one of the shortcuts, and then click OK to print the job with the predefined settings. 
<p data-bbox="92 959 688 1031">Cancel a print job from the product control panel</p>	<ol data-bbox="716 935 1318 1086" style="list-style-type: none"> 1 Press the stop button  on the control panel. 2 From the list on the touchscreen, touch the print job you want to delete, and touch the Cancel Job button. 3 Touch the Yes button. 4 Touch the OK button to return to the Ready state. 

Staple documents (HP Color LaserJet CM3530fs MFP)

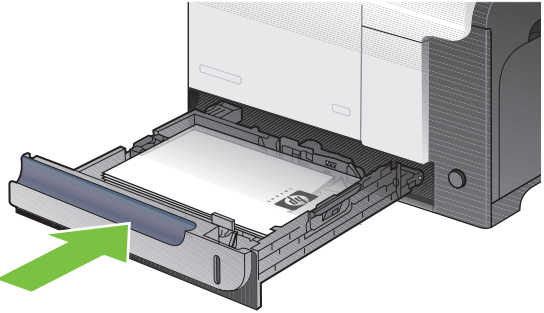

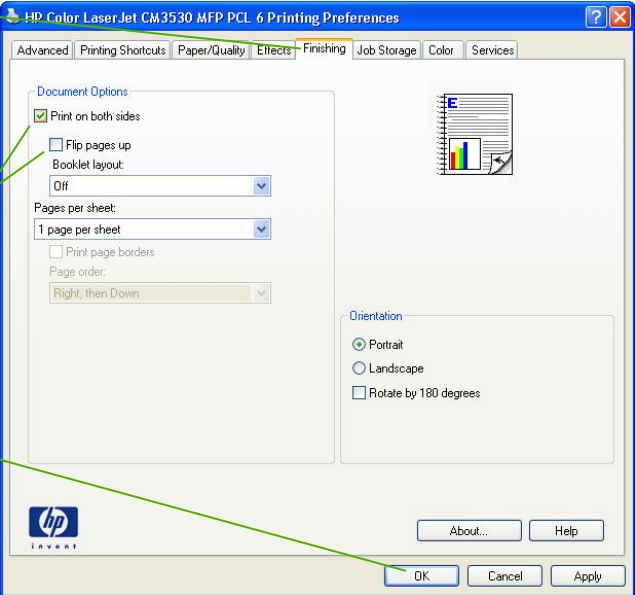

How do I?	Steps to perform
<p>Use the convenience stapler</p>	<ol style="list-style-type: none"><li data-bbox="716 316 1444 427">1 Insert up to 20 sheets of media (80 g/m² or 20 lb) into the slot in the stapler door. Insert fewer sheets to staple if the media weight is heavier than 80 g/m² or 20 lb. CAUTION: Do not use the convenience stapler to staple plastic, cardboard, or wood. Damage to the convenience stapler can result from attempting to staple these materials.<li data-bbox="716 619 1444 699">2 Wait for the stapler to staple the sheets. When it is inserted all the way into the stapler slot, the media should trigger the stapler mechanism.<li data-bbox="716 938 1444 1082">3 Remove the stapled media from the slot. Note: If you are unable to remove the media after stapling, carefully open the stapler door and then slide your document out.
