HP 7” df710c2 Digital Picture Frame

HP df710c2 Digital Picture Frame with 128MB internal memory gives you an easy way to enjoy and share your favorite pictures with family and friends, all without a computer!

It’s so easy to use. Just take your pictures, remove the memory card from the digital camera, insert it into the picture frame, and enjoy the picture slideshow. It’s that simple!

The df710c2 supports most commonly used memory cards. Its built-in USB port also supports USB thumb drives adding more flexibility for picture sharing.

The df710c2 comes with four interchangeable mats: white, blue, sage, and tan. The mats add an elegant touch to the black solid wood frame to match a range of decors and color schemes.
