

# V5040u Digital Camcorder

## Capture high definition video in the palm of your hand

This slim and sleek digital camcorder combines performance and portability. Carry this compact and lightweight digital camcorder with you everywhere you go. Capture that special moment in high definition.

### 1080p High Definition recording

Featuring 1080p high definition recording, the V5040u Digital Camcorder allows you to record videos at up to 1440x1080 resolution. Now you can capture videos of your life's moments in more detail and in vivid colors.

### Sleek and Slim

At 0.26 lb / 0.116 kg and less than 0.5" thick, the V5040u is perfect for carrying everywhere you go. Its thin design makes it easy to fit in your pocket or purse. The V5040u is the ideal digital camcorder for people looking to record videos on the go.

### HDMI interface

With the HDMI Interface, you can easily transmit digital videos to your HD TV to share instantly with friends and family.

Just record, connect the camcorder to your TV using the included HDMI cable, and enjoy the vivid colors from the videos instantly on your High Definition TV. It's that simple!

### Motion Detection Function

Capture fun moments of your pet or toddler by setting the camcorder in place. Recording automatically starts when motion is detected.

### Still image capture

Press the camera button at any time to take color snapshots to share with friends and family. With still image resolution of up to 12MP with interpolation, you can be sure to have brilliant color pictures with great clarity.
