HP Accessories. The perfect match for your PC.

HP Mini 40W Vehicle Power Adapter

Plug in and power up.

When you're on the road, this power adapter allows you to charge your HP Mini in your vehicle. Just plug the charger into the cigarette lighter – and work, play and surf longer, without losing power.

• Charge your HP Mini while you're on the go.

If you run out of power while you're on the road, you don't need to wait till you reach your destination. The HP Mini Vehicle Power Adapter means you can charge the battery in the cigarette lighter of your vehicle – and power up.

- Work, play and surf longer while on the go.
