

# V5020u Digital Camcorder

## Better Video, Better Memories

Capture and share your special moments with family and friends. With full HD recording capability, you'll be able to capture amazing videos in vivid colors and in great detail. The convenient, compact design makes it easy to carry along for spontaneous recording on-the-go.

### Full HD 1080p video recording

The V5020u digital camcorder allows you to record videos in up to 1920 x 1080 high resolution enabling you to capture videos of your life's moments in more detail and in vivid colors.

### Compact and stylish

At 3.9 x 2.0 x 0.7 inches, the V5020u easily fits in your pocket or purse. Carry it everywhere you go to be ready to record any unexpected moment. The sleek body with its cover in a fashionable color makes it ideal for those looking for a stylish, portable digital camcorder.

### Easy sharing

The built-in Direct Video application offers you a convenient and easy way to upload the videos you have captured with the V5020u to YouTube. Having the YouTube Direct Video application on the V5020u enables you to upload your videos from any PC. The HDMI Interface lets you easily transmit digital videos to any HD TV. Just record, connect the camcorder to your TV via the HDMI cable, and enjoy the videos instantly on your High Definition TV. It's that simple!

### Advanced recording features

The V5020u comes with advanced recording features to make sure your video captured is of optimal quality. The Electronic Image Stabilization (EIS) with built-in gyroscopic sensor will prevent image blur caused by camcorder movements. With up to 10X digital zoom, the V5020u gives you the flexibility of bringing the subject 10 times closer when recording from a distance. Use the motion detection feature to capture fun moments of your pet or toddler.
