Step 1. Insert the DVD into your computer. Select a language, then click “Next.”

Step 2. Please follow the on-screen instructions to complete the installation.

Important: Do not plug in the supplied USB Bluetooth dongle unless you are prompted to do so.

Step 3. Click “OK” to start the game console.

Note: For detailed information, you can access the User Manual through the Windows Start Menu.

Please make sure there is sufficient space before playing games.

WARNING: Please allow sufficient space around you to prevent hurting anyone or damaging nearby objects.

Step 1. Double-click the FlingPC desktop icon to start the Virtual Game Console.

Step 2. Press the Bluetooth button to connect the remote to the computer.

Step 3. Follow the on-screen instructions to complete the connection.

Step 4. Press “A” to enter the Virtual Game Console and start playing games.
