

SimpleSave™ External Hard Drives

- Automatic, hands-free backup
- No software to install or learn, no files to select
- Frequent backup update of changed files
- Back up and restore multiple computers
- Automatically supports most file types
- Plug-and-play extra storage

THE COMPUTER IS PERSONAL AGAIN.

Yes, it's that easy! Instant storage with hands-free backup.

HP's SimpleSave external hard drive is so easy to use you won't believe it. The included backup software runs right off the drive. The minute you plug it in to a USB port, it begins backing up your data. There's no need to install and learn software; it's practically hands-free. Users will love this backup solution because the software finds all your valuable data, no matter where it is on your computer and, after the first backup, it frequently checks for file changes so your backup is always up to date.

Hands-free backup

- Automatic, hands-free backup – Begins backing up the minute you plug it in.
- Backup so simple, anyone can use it – No software to install, no files to select.
- Finds all your important files – Even the most disorganized computer user will love this backup solution because the software finds all your valuable data, no matter where it is on your computer. It supports a wide variety of file types automatically and you can enter additional file types if you need to.
- Keeps your backup up to date – Checks for file changes and backs them up every time your computer is idle.
- Easily back up multiple computers – Back up and restore all the computers in your home.

Plug-and-play extra storage

Plug-and-play extra storage – Connect it to your USB port and it's ready to use.

Cool and quiet

Stays cool and runs quietly – The heat dissipating case allows the drive to stay cool and run quietly without the need for a fan.

Product Specifications

- Interface:
USB 2.0
- System compatibility:
Microsoft Windows® XP, Windows Vista®, Windows 7¹
- Storage capacities:
1 TB or 2 TB
- Environmental specifications:
5°C to 35°C Operating Temperature
-40°C to 65°C Non Operating Temperature
- Drive dimensions:
Height 6.26 in (169 mm)
Width 2.13 in (54 mm)
Depth 5.12 in (130 mm)
Weight 34.45 oz (1,005 gm)
- Model numbers: HPBAAD10000x, HPBAAD20000x

Warranty and Support

- 2 year limited warranty
