HP USB Optical Mobile Mouse

All the precision you need – everywhere you go!

Productivity plus absolute mobility! Perfectly portable for use on the road or at your desk, this mouse's optical sensor provides smooth, accurate tracking – no mouse pad required.

- **Enjoy an ultimate comfort while on the go**

Enjoy the freedom! The HP USB Optical Mobile Mouse is perfect for when you are on the road or working at your desk. The optical sensor provides smooth, accurate tracking, and no mouse pad is required.

- **Designed for your comfort in mind**

Right or left-handed? Doesn't really matter - the ambidextrous design of the HP USB Optical Mobile Mouse is equally comfortable for both hands, so it will not cramp your style. Just enjoy its perfect flexibility!

- **Optical performance you can count on**

No slips or mistakes! The HP USB Optical Mobile Mouse with its 1000 cpi ensures smooth tracking, even without a mouse pad. So you will get all the accuracy you need, whether you are at your desk or on the road.

- **Speed up your performance**

Do not miss any deadlines, with the HP USB Optical Mobile Mouse! Three buttons including a rubber scroll wheel will help you speed through documents and web pages, while the optical sensor provides smooth, accurate tracking along the way.

- **Plug and play right out of the box**

With the HP USB Optical Mobile Mouse you don't need to install any software or set anything up. When you need it, just plug it in – and play!
