

Car Camcorder f800x

Enhance the capabilities of your vehicle with the HP Car Camcorder f800x. This premium full HD 1080p camcorder offers an ultra-wide angle lens, numerous Advanced Driver Assistance System (ADAS) features and now is Wi-Fi ready. The built-in GPS allows for real time tracking of speed and heading using the 4-quadrant display. When you are ready to playback your video on the PC, the SuperCar application (included) will enhance you experience with Digital Map position tracking as well as speed, heading and G-force sensor information.

Wireless Capable

The built-in 2.4Ghz model allows you to stream live video, basic camcorder control and copy files from the f800x to your smartphone or tablet. Install the free **HP Pixi Cam** app to fully utilize the Wi-Fi capability of the f800x.

Advanced Driver Assistance System (ADAS)

The f800x comes loaded with ADAS features such as Lane Departure Warning System (LWDS), Front Collision Warning System (FCWS), Front Vehicle Go, and Headlight Warning. It will be important to review the User Manual for further details on how to enable and utilize these features. It is important to note that these feature are for reference only and will not control your vehicle to prevent accidents.

GPS Capability

The built-in GPS capability records the locations you have been as well as tracking your speed, compass heading and speed camera locations as you mark them.

Built-in, 3-Axis G-Force and Motion Sensor

No one expects to get into a driving accident, but when it happens, the built-in G-force sensor can detect these events and trigger Emergency Video Recording mode. These emergency recordings are date and time-stamped as well as protected from loop recording overwrites.

Loop Recording

The f800x records video clips of 3 or 5 minute lengths (customer selectable) on to the installed microSDHC memory card. The standard loop recording technology prevents storage overload by erasing the oldest previously recorded file and replacing it with the new one.

Easy to Install and Use

Use the enclosed bracket to install to many windshields in seconds. The car power adapter has a generous 3.5 meter (11.4 feet) cord that accommodates easy routing in almost any vehicle. Once installed, the f800x automatically begins recording when the vehicle starts and powers down when the vehicle is turned off. The camcorder also offers many easy to use options such as motion detection.

Package Contents

- HP Car Camcorder f800x
- Car power adapter
- Camera mounting bracket
- CDROM with Software /UM
- Quick start guide
- Warranty document

Car Camcorder f800x
