Component Description

Table with 2 columns: Component, Description. Includes Power button, Volume down/up buttons, Call button, Audio-in jack, Micro USB port, Power light.

This product is IP-64 rated; it is designed to withstand splashing water (not immersion in water) and to prevent dust ingression. To maintain the IP-64 rating, close the I/O door. IP ratings are not a guarantee of future performance.

For regulatory and safety notices, refer to the Product Notices included with your product.

*Cable not included.

Table with 2 columns: الوصف (Description), المكون (Component). Lists features like power button, volume controls, call button, audio jack, USB port, and power light.

Table with 2 columns: Součást (Part), Popis (Description). Lists parts like power button, volume controls, call button, audio jack, USB port, and power light.

Table with 2 columns: Součást (Part), Popis (Description). Lists parts like power button, volume controls, call button, audio jack, USB port, and power light.

Informace o předpisech a bezpečnosti jsou uvedeny v dokumentu Důležité informace o produktu dodaném s produktem.

*Kabel není součástí balení.

Komponen Keterangan

Table with 2 columns: Komponen, Keterangan. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Produk ini berperingkat IP-64; dirancang untuk tahan terhadap percikan air (bukan dicelupkan ke dalam air) dan dapat mencegah masuknya debu. Untuk mempertahankan peringkat IP-64, tutup pintu I/O. Peringkat IP bukan jaminan kinerja masa mendatang.

Untuk maklumat pengaturan dan keselamatan, lihat Maklumat Produk yang disertakan bersama produk Anda.

*Kabel tidak disertakan.

Компонент Описание

Table with 2 columns: Компонент, Описание. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Този продукт е с IP-64 рейтинг; проектиран е да издържа на пръски вода (не на потапяне във вода) и да предотвратява влизане на прах. За да поддържа IP-64 рейтинг, затворете входно-изходната вратичка. IP рейтингите не са гаранция за бъдещата производителност.

За декларации за нормативни разпоредби и безопасност направете справка с Декларациите за продукта, включени към вашия продукт.

*Кабелът не е включен.

Součást Popis

Table with 2 columns: Součást, Popis. Lists parts like power button, volume controls, call button, audio jack, USB port, and power light.

Stupeň krytí tohoto produktu je IP-64. Je konstruován tak, aby vydržel postříkání vodou (ne ponoření do vody) a neunikal do něj prach.

Informace o předpisech a bezpečnosti jsou uvedeny v dokumentu Důležité informace o produktu dodaném s produktem.

*Kabel není součástí balení.

Komponent Beskrivelse

Table with 2 columns: Komponent, Beskrivelse. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Dette produkt er IP-64-klassificeret. Det er designet til at tåle vandstøvk (ikke nedsenkning i vand) og til at forhindre støv i at trænge ind. For at bevare IP-64-klassificeringen skal du lukke I/O-døren.

Se produktunderretningerne, som fulgte med dit produkt, for bemærkninger om lovgivning og sikkerhed.

*Kabel medfølger ikke.

Komponente Beschreibung

Table with 2 columns: Komponente, Beschreibung. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Dieses Produkt ist gemäß IP64 ausgelegt und vor Spritzwasser (nicht vor Eintauchen in Wasser) und Eindringen von Staub geschützt.

Informieren Sie sich über die Sicherheits- und Zulassungshinweise. Diese finden Sie in den Produktmitteilungen, die im Lieferumfang Ihres Produkts enthalten sind.

*Kabel nicht im Lieferumfang enthalten.

Componente Descripción

Table with 2 columns: Componente, Descripción. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Este producto cuenta con clasificación IP-64; está diseñado para resistir salpicaduras de agua (pero no la inmersión en el agua) y para evitar la entrada de polvo.

Para obtener información sobre los avisos normativos y de seguridad, consulte los Avisos sobre el producto incluidos con éste.

*No incluye el cable.

Στοιχείο Περιγραφή

Table with 2 columns: Στοιχείο, Περιγραφή. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Το προϊόν αυτό έχει αξιολογηθεί IP-64. Είναι σχεδιασμένο για να παρέχει προστασία από το νερό (όχι βύθιση σε νερό) και την είσοδο σκόνης.

Για να δείτε τις σημειώσεις κανονισμών και ασφαλείας, ανατρέξτε στο έγγραφο Σημειώσεις για το προϊόν που συνοδεύει το προϊόν σας.

*Το καλώδιο δεν περιλαμβάνεται.

Composant Description

Table with 2 columns: Composant, Description. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Ce produit est conforme à la norme IP-64; il est conçu pour résister aux projections d'eau (par d'immersion dans l'eau) et pour prévenir toute pénétration de poussière.

Consultez les notices réglementaires et de sécurité qui accompagnent votre produit.

*Câble non fourni.

Komponenta Opis

Table with 2 columns: Komponenta, Opis. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Ovaj proizvod ima oznaku IP-64. Što znači da je otporan na prskanje vodom (ali ne i na uranjanje u nju) te na prodor prašine u njega.

Obavijesti o propisima i sigurnosti potražite u dokumentu Obavijesti o proizvodu isporučenom uz proizvod.

*Kabel se ne isporučuje uz proizvod.

Componente Descrizione

Table with 2 columns: Componente, Descrizione. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Questo prodotto è dotato di tecnologia IP-64. È progettato per resistere agli schizzi d'acqua (ma non all'immersione) e all'ingresso della polvere.

Per le normative e gli avvisi sulla sicurezza, consultare la documentazione Avisi relativi al prodotto fornita con il prodotto.

*Cavo non incluso.

Банік Сипаттама

Table with 2 columns: Банік, Сипаттама. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Бұл өнімнің қорғаныс дәрежесі IP-64. Бұл өнім судың шапшаңрауынан (суға батырыла болмайды) және шаңның түсуінен қорғалған болып табылады.

Құқықтық және қауіпсіздік ескертулері үшін өнімнің жинағына кіретін Өнім ескертулері құжаттың қараңыз.

*Кабель өнім жинағына кірмейді.

Komponents Apraksts

Table with 2 columns: Komponenti, Apraksts. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Šim produktam ir piešķirta aizsardzības pakāpe IP-64; tā konstruēta ir noturīga pret ūdens šļakstiem (ne iegrēdāšanās ūdenī) un novērš putekļu iekļūšanu.

Normatīvos un drošības paziņojumus skatiet dokumentā Paziņojumi par produktu, kas iekļauts produkta komplektācijā.

*Kabelis nav iekļauts komplektācijā.

Komponentas Aprašymas

Table with 2 columns: Komponentas, Aprašymas. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Šis produktas įvertintas IP-64; Produktas yra atsparus vandens pūslams (ne panardinimui į vandenį) ir dulkiųmui.

Teisinis ir saugos informacija pateikiama su gaminiu gautuose įspėjimuose dėl gaminio.

*Kabelis nepridedamas.

Részegység Leírás

Table with 2 columns: Részegység, Leírás. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

A termék IP-64 besorolással rendelkezik; úgy tervezték, hogy ellenálljon a ráfröccsenő vízzel (a vízbe merítésnek nem), és megakadályozza a por behatolását a készülékbe.

A jogi és biztonsági tudnivalók a termékhez mellékeltek a Termékek kapcsolatos tájékoztatás című dokumentumban találhatók.

*A kábel nincs mellékelve.

Onderdeel Beschrijving

Table with 2 columns: Onderdeel, Beschrijving. Lists components like power button, volume controls, call button, audio jack, USB port, and power light.

Dit product heeft de IP-64-classificatie; het is ontworpen om tegen opspattend water (geen onderdompeling) en stof beschermd te zijn.

Daarop leest u informatie over voorschriften en veiligheid. Raadplee de informatie in de Productkennisgeving die bij het product zijn meegeleverd.

*Kabel wordt niet meegeleverd.
