Print	Job storage and private printing	Not available	Included	Included	Included	Not available	Included	Not available

Supported paper types

The input trays and duplexer support several types of paper. Tray 1 supports paper in the weight range of 60-175 g/m². Tray 2, Tray 3 (optional), and the auto duplexer support paper in the weight range of 60-120 g/m².

NOTE: To obtain the best results, select the correct paper size and type in the print driver before printing.
