---

**ES** **¿Problemas para empezar?** Encuentre información y vídeos de configuración en línea.

---

**PT** **Problemas para começar?** Encontre informações e vídeos de configuração on-line.

**EN** After setup, do not open blue latch unless instructed to do so.

---

**ES** Una vez finalizada la configuración, no abra el pestillo azul a menos que se indique lo contrario.

---

**PT** Após a configuração, não abra a trava azul a menos que seja instruído para isso.

**EN** If moving printer outside home or office with ink tanks filled, see “Moving printer?” guide to prevent ink leakage or printer damage.

**Note:** When unpacking printer for first time, retain the packing materials for repacking.

---

**ES** Si va a trasladar la impresora desde el hogar o la oficina con los depósitos de tinta llenos, consulte la guía "¿Va a trasladar la impresora?" para evitar derrames de tinta o daños a la impresora.

**Nota:** cuando desembale la impresora por primera vez, conserve el material de embalaje para poder volver a empaquetarla.

---

**PT** Se precisar mover a impressora para fora de casa ou do escritório com os tanques de tinta cheios, consulte o guia “Como mover a impressora?” para evitar vazamentos de tinta ou danos à impressora.

**Observação:** Ao desembalar a impressora pela primeira vez, guarde os materiais da embalagem para utilizá-los novamente.
