

# Interactive BIOS simulator

## HP Pavilion 15-cw0000 Laptop PC

Welcome to the interactive BIOS simulator for the  
HP Pavilion 15-cw0000 Laptop PC

### Here's how to use it...

[BIOS Utility Menus](#): (Click the link to navigate to the individual menus)

On this page you will find thumbnail images of each of the product's BIOS utility menus. To view a specific menu in greater detail, simply click that thumbnail. Just as in the live BIOS, on each menu, you can select the tab of each of the other utility menus to navigate directly to that menu.

### Menu options:

While the menu options cannot be toggled, many of them offer item specific information about that option. To view this information, use the cursor to rollover the option and the information will present in a pane on the right of the BIOS screen.

### That's it!

**On every page there is a link that brings you back to either this [Welcome](#) page or the [BIOS Utility Menus](#) page enabling you to navigate to whatever BIOS option you wish to review.**

# System Configuration Menu

Back to BIOS Utility Menus

The screenshot shows the 'System Configuration' menu in the Aptio Setup Utility. The title bar reads 'Aptio Setup Utility - Copyright (C) 2017 American Megatrends, Inc'. The menu has four tabs: 'Main', 'Security', 'System Configuration' (which is active), and 'Exit'. The main area lists several settings with their current values: Language [English], Virtualization Technology [Disabled], Fan Always On [Disabled], Action Keys Mode [Enabled], USB Charging [Enabled], and Battery Remaining Time [Disabled]. A 'Boot Options' sub-menu is indicated by a right-pointing arrow. On the right side, there is a section titled 'Item Specific Help' which is currently empty. At the bottom, a blue bar contains navigation instructions: F1 Help, F1 Exit, up/down arrows for 'Select Item' and left/right arrows for 'Select Menu', F5/F6 Change Values and Enter for 'Select SubMenu', F9 Setup Defaults, and F10 Save and Exit.

Setting	Value
Language	[English]
Virtualization Technology	[Disabled]
Fan Always On	[Disabled]
Action Keys Mode	[Enabled]
USB Charging	[Enabled]
Battery Remaining Time	[Disabled]
