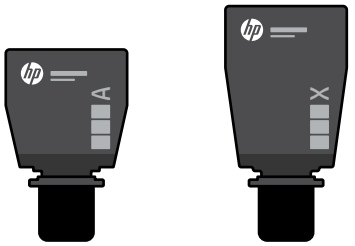
检查碳粉余量

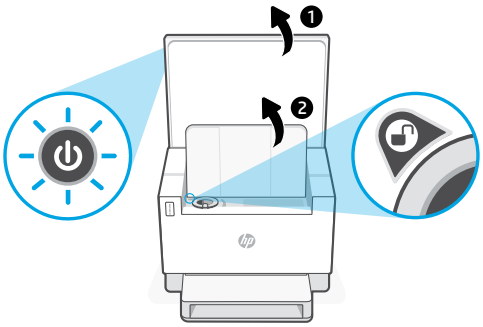
打印机在购买时已预灌注碳粉。HP **碳粉重新灌注套件 (TRK)** 提供 2 种选项：标准容量和大容量。碳粉测量计上测量条的值为估算碳粉量，可能与实际碳粉量略有不同。

检查碳粉测量计指示器，确定何时添加碳粉。要购买 HP 原装碳粉包，请访问 **hp.com/buy/supplies** 或咨询当地的 HP 分销商。



标准 TRK **大容量 TRK**

碳粉余量指示器状态



只有在端口指示器显示**解锁**图标 时，才能添加碳粉。有关更多信息，请参阅用户指南，网址：**hp.com/support**

帮助和支持

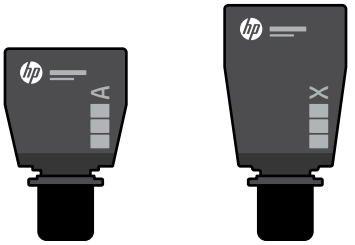
Check toner level

The printer is pre-filled with toner at purchase. HP **toner refill kits (TRK)** are available in 2 options: Standard and High capacity. The value of bars on the toner gauge are estimated toner levels and may vary slightly from the actual toner level.

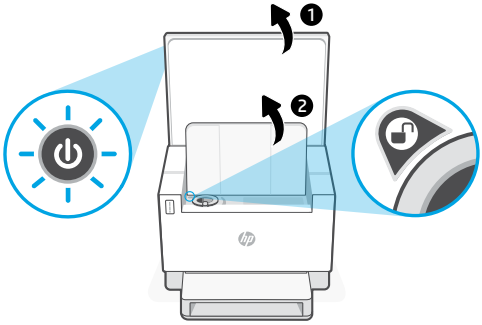
Check the toner gauge indicator to determine when to add toner. Purchase original HP toner packs from **hp.com/buy/supplies** or your local HP reseller.



Standard TRK | High Capacity TRK

Toner level indicator states

View toner level	Toner is almost full	Toner is partly depleted	Toner level is low, but printing can continue.	Toner level is very low. Unable to print.	Arrow blinks amber when the toner level is very low.
Add toner reload kit (TRK)	No more toner must be added	1 Standard TRK can be added	1 High Capacity TRK or 2 Standard TRK can be added.	1 High Capacity TRK or 2 Standard TRK must be added.	



Toner can be added only when the port indicator shows an **unlock** icon. For more information, see the User Guide at **hp.com/support**

Help and Support

For printer troubleshooting and videos, visit the HP support site. Enter your model name to find the printer.
