# HP Software License Agreement

This End-User License Agreement (“EULA”) is a contract between (a) you (either an individual or the entity you represent) and (b) HP that governs your use of the software product (“Software”).

PLEASE READ CAREFULLY BEFORE USING THIS SOFTWARE PRODUCT: . This EULA does not apply if there is a separate license agreement between you and HP or its suppliers for the Software, including a license agreement in online documentation. The term “Software” may include (i) associated media, (ii) a user guide and other printed materials, and (iii) “online” or electronic documentation (collectively “User Documentation”).

RIGHTS IN THE SOFTWARE ARE OFFERED ONLY ON THE CONDITION THAT YOU AGREE TO ALL TERMS AND CONDITIONS OF THIS EULA. BY INSTALLING, COPYING, DOWNLOADING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THIS EULA. IF YOU DO NOT ACCEPT THIS EULA, DO NOT INSTALL, DOWNLOAD, OR OTHERWISE USE THE SOFTWARE. IF YOU PURCHASED THE SOFTWARE BUT DO NOT AGREE TO THIS EULA, PLEASE RETURN THE SOFTWARE TO YOUR PLACE OF PURCHASE WITHIN FOURTEEN DAYS FOR A REFUND OF THE PURCHASE PRICE; IF THE SOFTWARE IS INSTALLED ON OR MADE AVAILABLE WITH ANOTHER HP PRODUCT, YOU MAY RETURN THE ENTIRE UNUSED PRODUCT.

1. **THIRD PARTY SOFTWARE.** The Software may include, in addition to HP proprietary software (“HP Software”), software under licenses from third parties (“Third Party Software” and “Third Party License”). Any Third Party Software is licensed to you subject to the terms and conditions of the corresponding Third Party License. Generally, the Third Party License is located in a file such as license.txt; you should contact HP support if you cannot find any Third Party License. If the Third Party Licenses include licenses that provide for the availability of source code (such as the GNU General Public License) and the corresponding source code is not included with the Software, then check the product support pages of HP’s website (hp.com) to learn how to obtain such source code.
2. **LICENSE RIGHTS.** You will have the following rights provided you comply with all terms and conditions of this EULA:
  - a. **Use.** HP grants you a license to Use one copy of the HP Software. “Use” means installing, copying, storing, loading, executing, displaying, or otherwise using the HP Software. You may not modify the HP Software or disable any licensing or control feature of the HP Software. If this Software is provided by HP for Use with an imaging or printing product (for example, if the Software is a printer driver, firmware, or add-on), the HP Software may only be used with such product (“HP Product”). Additional restrictions on Use may appear in the User Documentation. You may not separate component parts of the HP Software for Use. You do not have the right to distribute the HP Software.
  - b. **Copying.** Your right to copy means you may make archival or back-up copies of the HP Software, provided each copy contains all the original HP Software’s proprietary notices and is used only for back-up purposes.
3. **UPGRADES.** To Use HP Software provided by HP as an upgrade, update, or supplement (collectively “Upgrade”), you must first be licensed for the original HP Software identified by HP as eligible for the Upgrade. To the extent the Upgrade supersedes the original HP Software, you may no longer use such HP Software. This EULA applies to each Upgrade unless HP provides other terms with the Upgrade. In case of a conflict between this EULA and such other terms, the other terms will prevail.
4. **TRANSFER.**

- a. **Third Party Transfer.** The initial end user of the HP Software may make a one-time transfer of the HP Software to another end user. Any transfer will include all component parts, media, User Documentation, this EULA, and if applicable, the Certificate of Authenticity. The transfer may not be an indirect transfer, such as a consignment. Prior to the transfer, the end user receiving the transferred Software will agree to this EULA. Upon transfer of the HP Software, your license is automatically terminated.
  - b. **Restrictions.** You may not rent, lease or lend the HP Software or Use the HP Software for commercial timesharing or bureau use. You may not sublicense, assign or otherwise transfer the HP Software except as expressly provided in this EULA.
5. **PROPRIETARY RIGHTS.** All intellectual property rights in the Software and User Documentation are owned by HP or its suppliers and are protected by law, including applicable copyright, trade secret, patent, and trademark laws. You will not remove any product identification, copyright notice, or proprietary restriction from the Software.
6. **LIMITATION ON REVERSE ENGINEERING.** You may not reverse engineer, decompile, or disassemble the HP Software, except and only to the extent that the right to do so is allowed under applicable law.
7. **CONSENT TO USE OF DATA.** HP and its affiliates may collect and use technical information you provide in relation to (i) your Use of the Software or the HP Product, or (ii) the provision of support services related to the Software or the HP Product. All such information will be subject to HP's privacy policy. HP will not use such information in a form that personally identifies you except to the extent necessary to enhance your Use or provide support services.
8. **LIMITATION OF LIABILITY.** Notwithstanding any damages that you might incur, the entire liability of HP and its suppliers under this EULA and your exclusive remedy under this EULA will be limited to the greater of the amount actually paid by you for the Product or U.S. \$5.00. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL HP OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING DAMAGES FOR LOST PROFITS, LOST DATA, BUSINESS INTERRUPTION, PERSONAL INJURY, OR LOSS OF PRIVACY) RELATED IN ANY WAY TO THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF HP OR ANY SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF THE ABOVE REMEDY FAILS OF ITS ESSENTIAL PURPOSE. Some states or other jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
9. **U.S. GOVERNMENT CUSTOMERS.** If you are a U.S. Government entity, then consistent with FAR 12.211 and FAR 12.212, Commercial Computer Software, Computer Software Documentation, and Technical Data for Commercial Items are licensed under the applicable HP commercial license agreement.
10. **COMPLIANCE WITH EXPORT LAWS.** You will comply with all laws, rules, and regulations (i) applicable to the export or import of the Software, or (ii) restricting the Use of the Software, including any restrictions on nuclear, chemical, or biological weapons proliferation.
11. **RESERVATION OF RIGHTS.** HP and its suppliers reserve all rights not expressly granted to you in this EULA.

---

# Open-source software

Software with source code that anyone can inspect, modify, and enhance is included with this product.

## Open source acknowledgments

We acknowledge the software developers of open-source projects that are used in our products.

- This product includes software developed by the Apache Software Foundation. For more information, see the Apache website at the following link: <http://www.apache.org/>.
- The source code, object code, and documentation in the com.oreilly.servlet package is licensed by Hunter Digital Ventures, LLC.
- This software is based in part on the work of the Independent JPEG Group.
- Regular expression support provided by the Perl Compatible Regular Expressions (PCRE) library package, which is open source software written by Philip Hazel, and copyright by the University of Cambridge, England. Source at the following web link: <https://www.pcre.org>.
- This software includes cryptographic software written by Eric Young (eay@cryptsoft.com).

---

# Environmental notices

HP is committed to providing quality products in an environmentally sound manner.

## Environmental product stewardship program

Design for recycling has been incorporated into this product and the number of materials has been kept to a minimum while ensuring proper functionality and reliability. Dissimilar materials have been designed to separate easily.

Fasteners and other connections are easy to locate, access and remove using common tools. High-priority parts have been designed to access quickly for efficient disassembly and repair. For more information, visit HP's Commitment to the Environment Web site at <http://www.hp.com/go/sustainability>.

## Eco-tips

HP is committed to helping customers reduce their environmental footprint.

HP has provided the Eco-Tips below to help you focus on ways to assess and reduce the impact of your printing choices. In addition to specific features in this product, please visit the HP Eco Solutions website at the following link: <http://www.hp.com/go/sustainability> for more information on HP's environmental initiatives.

## Material Safety Data Sheets

You can obtain current Material Safety Data Sheets for the ink systems from [hp.com](http://www.hp.com).

Visit the HP website at the following link: <http://www.hp.com/go/msds>.

## Chemical substances

HP is committed to providing our customers with information about the chemical substances in our products as needed to comply with legal requirements such as REACH (Regulation EC No. 1907/2006 of the European Parliament and the Council).

A chemical information report for this product can be found on the HP website at the following link: <http://www.hp.com/go/reach/>.

## Plastics

Plastic parts over 25 grams are marked according to international standards that enhance the ability to identify plastics for recycling purposes at the end of product life.

## Recycling program

HP offers an increasing number of product return and recycling programs in many countries/regions, and partners with some of the largest electronics recycling centers throughout the world.

HP conserves resources by reselling some of its most popular products. For more information regarding recycling of HP products, please visit the HP website at the following link: <http://www.hp.com/go/sustainability>.

## Electronic hardware recycling

HP encourages customers to recycle used electronic hardware.

For more information about recycling programs, see the HP website at the following link: <http://www.hp.com/recycle/>.

## Electronic hardware recycling

HP encourages customers to recycle used electronic hardware.

For more information about recycling programs, go to the HP website at the following link: <http://www.hp.com/recycle/>

## Battery disposal (California)

Batteries are considered hazardous waste in California when they are discarded.

**Attention California users:** The real-time clock battery supplied with this product may contain perchlorate material. Special handling may apply when recycled or disposed of in California. See the HP website at the following link: <http://www.dtsc.ca.gov/hazardouswaste/perchlorate/> for information.

**Atención a los usuarios de California:** La pila del reloj en tiempo real proporcionada con este producto puede contener perclorato. Podría requerir manipulación especial cuando sea reciclada o desechada en California. Consulte el sitio web de HP en el siguiente enlace: <http://www.dtsc.ca.gov/hazardouswaste/perchlorate/> para obtener más información.

## Lithium battery

This HP product contains a lithium battery located on the main board that may require special handling at the end of its life.

## Battery disposal (Taiwan)

There is a battery that requires special handling at the end of its life.

## Battery disposal (Netherlands)

Batteries are delivered with this product. When discharged, do not throw them away, but collect them as small chemical waste.

Bij dit product zijn batterijen geleverd. Wanneer de batterijen leeg zijn, dient u deze niet als huisvuil weg te gooien, maar als KCA in te leveren.

## Battery directive (EU)

This product contains a battery that is used to maintain data integrity of real-time clock or product settings and is designed to last the life of the product.

Any attempt to service or replace this battery should be performed by a qualified service technician.

## Disposal of waste equipment by users (EU, India)

This symbol means do not dispose of your product with your other household waste. Instead, you should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment.

For more information, please contact your household waste disposal service, or go to the HP website at the following link: <http://www.hp.com/recycle>.

## Turkey WEEE

Türkiye Cumhuriyeti: AEEE Yönetmeliğine Uygundur (Republic of Turkey: In conformity with the EEE Regulation).

## India Restriction of Hazardous Substances

This product, as well as its related consumables and spares, complies with the reduction in hazardous substances provisions of the "India E-waste Rule 2016".

It does not contain lead, mercury, hexavalent chromium, polybrominated biphenyls, or polybrominated diphenyl ethers in concentrations exceeding 0.1 weight % and 0.01 weight % for cadmium, except where allowed pursuant to the exemptions set in Schedule 2 of the Rule.

## China Restriction of Hazardous Substances

产品中有害物质或元素的名称及含量

根据中国《电器电子产品有害物质限制使用管理办法》

有害物质

部件名称	铅 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr(VI))	多溴联苯 (PBB)	多溴二苯醚 (PBDE)
外盖和外壳	0	0	0	0	0	0
机械零件	0	0	0	0	0	0

## 有害物质 (continued)

部件名称	铅 (Pb)	汞 (Hg)	镉 (Cd)	六价铬 (Cr(VI))	多溴联苯 (PBB)	多溴二苯醚 (PBDE)
机电配件	X	0	0	0	0	0
电子元器件	X	0	0	0	0	0
显示	X	0	0	0	0	0
扫描仪	X	0	0	0	0	0
电缆	0	0	0	0	0	0
耗材 (墨盒和打印头)	0	0	0	0	0	0
油墨输送系统	0	0	0	0	0	0
废物管理系统	0	0	0	0	0	0

本表格依据 SJ/T 11364 的规定编制。

0: 表示该有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。

X: 表示该有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。

此表中所有名称中含“X”的部件均符合欧盟 RoHS 立法。

注: 环保使用期限的参考标识取决于产品正常工作的温度和湿度等条件。

## Information regarding Energy Star

ENERGY STAR and the ENERGY STAR trademark are registered U.S. trademarks.

To determine the ENERGY STAR® qualification of this product, see the HP website at the following link:  
<http://www.hp.com/go/energystar/>.

### Power Consumption

HP printing and imaging equipment marked with the ENERGY STAR® logo is qualified to the U.S. Environmental Protection Agency's ENERGY STAR specifications for imaging equipment. The following mark will appear on ENERGY STAR qualified imaging products:

Additional ENERGY STAR qualified imaging product model information is listed on the HP website at the following link: <http://www.hp.com/go/energystar/>.

## Brazil

Não descarte o produto eletrônico em lixo comum.

Este produto eletrônico e seus componentes não devem ser descartados no lixo comum, pois embora estejam em conformidade com padrões mundiais de restrição a substâncias nocivas, podem conter, ainda que em quantidades mínimas, substâncias impactantes ao meio ambiente. Ao final da vida útil deste produto, o usuário deverá entregá-lo à HP. A não observância dessa orientação sujeitará o infrator às sanções previstas em lei.

Após o uso, as pilhas e/ou baterias dos produtos HP deverão ser entregues ao estabelecimento comercial ou rede de assistência técnica autorizada pela HP.

Para maiores informações, inclusive sobre os pontos de recebimento, consulte o site da HP no seguinte link: <http://www.hp.com.br/reciclar>.

---

# Regulatory notices

HP provides regulatory, safety and environmental information that is compliant with U.S., Canadian, and international regulations.

## Regulatory Model Number

For regulatory identification purposes, your product is assigned a Regulatory Model Number.

The Regulatory Model Number for your product is **BCLAA-2105**. This regulatory number should not be confused with the marketing name (such as HP DesignJet Printer) or product number (such as Z####X, where Z and X are any single letter and # is any number).

## Product Noise Emissions

Sound pressure level @ bystander position (LpA per ISO 7779) is < 70dB(A)

## USA: Electro-Magnetic Compatibility

Electro-Magnetic compatibility (EMC) is the ability of your electrical equipment and systems to function acceptably in their electromagnetic environment.

## FCC statements

The U.S. Federal Communications Commission (in 47 cfr15.105) has specified that certain notices be brought to the attention of users of this product.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

**Shielded cables:** In order to meet Class A limits, the use of shielded IO cables is required.

---

**⚠ CAUTION:** Pursuant to Part 15.21 of the FCC Rules, any changes or modifications to this equipment not expressly approved by HP may cause harmful interference and void the FCC authorization to operate this equipment.

---

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference, in which case users will be required to correct the interference at their own expense.

## Canada: Electro-Magnetic Compatibility

Electro-Magnetic compatibility (EMC) is the ability of your electrical equipment and systems to function acceptably in their electromagnetic environment.

### Normes de sécurité

Le présent appareil numérique n'émet pas de bruits radioélectriques dépassant les limites applicables aux appareils numériques de Classe A prescrites dans le règlement sur le brouillage radioélectrique édicté par le Ministère des Communications du Canada.

### DOC statement

This digital apparatus does not exceed the Class A limits for radio noise emissions from digital apparatus set out in the Radio Interference Regulations of the Canadian Department of Communications.

## European Union and UK Warning Class A

This equipment is compliant with Class A of CISPR 32.

---

**⚠ WARNING!** In a residential environment this equipment may cause radio interference.

---

## China

Electro-Magnetic compatibility (EMC) is the ability of your electrical equipment and systems to function acceptably in their electromagnetic environment.

### China: Electro-Magnetic Compatibility

Chinese Class A statement.

在生活环境中，该产品工作时可能会造成无线电干扰。

### China: Altitude

仅适用于海拔 2000 米以下地区安全使用

### China: Tropical

仅适用于非热带气候条件下安全使用

## Korea

A급 기기(업무용 방송통신기자재): RRA statement for Class A.

이 기기는 업무용 환경에서 사용할 목적으로 적합성평가를 받은 기기로서 가정용 환경에서 사용하는 경우 전파간섭의 우려가 있습니다.

## Japan

Electro-Magnetic compatibility (EMC) is the ability of your electrical equipment and systems to function acceptably in their electromagnetic environment.

### Japan: Electro-Magnetic Compatibility

Japan Class A Statement.

この装置は、クラスA機器です。この装置を住宅環境で使用すると電波妨害を引き起こすことがあります。この場合には使用者が適切な対策を講ずるよう要求されることがあります。

VCCI-A

### Japan: Safety Power Cord Warning

Japan Power Cord Statement.

製品には、同梱された電源コードをお使い下さい。  
同梱された電源コードは、他の製品では使用出来ません。

## Taiwan

Taiwan Class A statement.

為避免電磁干擾，本產品不應安裝或使用於住宅環境。

## Denmark

For tilslutning af de øvrige ledere, se medfølgende installationsvejledning.

## Argentina

La ficha de alimentación funciona como dispositivo de desconexión, la misma debe ser conectada a un tomacorriente fácilmente accesible luego de la instalación del aparato.

## Australia and New Zealand EMC

This is a class A product.

---

**⚠ WARNING!** In a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

---
