HP Software License Agreement

This End-User License Agreement (“EULA”) is a contract between (a) you (either an individual or the entity you represent) and (b) HP that governs your use of the software product (“Software”).

PLEASE READ CAREFULLY BEFORE USING THIS SOFTWARE PRODUCT: . This EULA does not apply if there is a separate license agreement between you and HP or its suppliers for the Software, including a license agreement in online documentation. The term “Software” may include (i) associated media, (ii) a user guide and other printed materials, and (iii) “online” or electronic documentation (collectively “User Documentation”).

RIGHTS IN THE SOFTWARE ARE OFFERED ONLY ON THE CONDITION THAT YOU AGREE TO ALL TERMS AND CONDITIONS OF THIS EULA. BY INSTALLING, COPYING, DOWNLOADING, OR OTHERWISE USING THE SOFTWARE, YOU AGREE TO BE BOUND BY THIS EULA. IF YOU DO NOT ACCEPT THIS EULA, DO NOT INSTALL, DOWNLOAD, OR OTHERWISE USE THE SOFTWARE. IF YOU PURCHASED THE SOFTWARE BUT DO NOT AGREE TO THIS EULA, PLEASE RETURN THE SOFTWARE TO YOUR PLACE OF PURCHASE WITHIN FOURTEEN DAYS FOR A REFUND OF THE PURCHASE PRICE; IF THE SOFTWARE IS INSTALLED ON OR MADE AVAILABLE WITH ANOTHER HP PRODUCT, YOU MAY RETURN THE ENTIRE UNUSED PRODUCT.

1. **THIRD PARTY SOFTWARE.** The Software may include, in addition to HP proprietary software (“HP Software”), software under licenses from third parties (“Third Party Software” and “Third Party License”). Any Third Party Software is licensed to you subject to the terms and conditions of the corresponding Third Party License. Generally, the Third Party License is located in a file such as license.txt; you should contact HP support if you cannot find any Third Party License. If the Third Party Licenses include licenses that provide for the availability of source code (such as the GNU General Public License) and the corresponding source code is not included with the Software, then check the product support pages of HP’s website (hp.com) to learn how to obtain such source code.
2. **LICENSE RIGHTS.** You will have the following rights provided you comply with all terms and conditions of this EULA:
 - a. **Use.** HP grants you a license to Use one copy of the HP Software. “Use” means installing, copying, storing, loading, executing, displaying, or otherwise using the HP Software. You may not modify the HP Software or disable any licensing or control feature of the HP Software. If this Software is provided by HP for Use with an imaging or printing product (for example, if the Software is a printer driver, firmware, or add-on), the HP Software may only be used with such product (“HP Product”). Additional restrictions on Use may appear in the User Documentation. You may not separate component parts of the HP Software for Use. You do not have the right to distribute the HP Software.
 - b. **Copying.** Your right to copy means you may make archival or back-up copies of the HP Software, provided each copy contains all the original HP Software’s proprietary notices and is used only for back-up purposes.
3. **UPGRADES.** To Use HP Software provided by HP as an upgrade, update, or supplement (collectively “Upgrade”), you must first be licensed for the original HP Software identified by HP as eligible for the Upgrade. To the extent the Upgrade supersedes the original HP Software, you may no longer use such HP Software. This EULA applies to each Upgrade unless HP provides other terms with the Upgrade. In case of a conflict between this EULA and such other terms, the other terms will prevail.
4. **TRANSFER.**

- a. **Third Party Transfer.** The initial end user of the HP Software may make a one-time transfer of the HP Software to another end user. Any transfer will include all component parts, media, User Documentation, this EULA, and if applicable, the Certificate of Authenticity. The transfer may not be an indirect transfer, such as a consignment. Prior to the transfer, the end user receiving the transferred Software will agree to this EULA. Upon transfer of the HP Software, your license is automatically terminated.
 - b. **Restrictions.** You may not rent, lease or lend the HP Software or Use the HP Software for commercial timesharing or bureau use. You may not sublicense, assign or otherwise transfer the HP Software except as expressly provided in this EULA.
5. **PROPRIETARY RIGHTS.** All intellectual property rights in the Software and User Documentation are owned by HP or its suppliers and are protected by law, including applicable copyright, trade secret, patent, and trademark laws. You will not remove any product identification, copyright notice, or proprietary restriction from the Software.
6. **LIMITATION ON REVERSE ENGINEERING.** You may not reverse engineer, decompile, or disassemble the HP Software, except and only to the extent that the right to do so is allowed under applicable law.
7. **CONSENT TO USE OF DATA.** HP and its affiliates may collect and use technical information you provide in relation to (i) your Use of the Software or the HP Product, or (ii) the provision of support services related to the Software or the HP Product. All such information will be subject to HP's privacy policy. HP will not use such information in a form that personally identifies you except to the extent necessary to enhance your Use or provide support services.
8. **LIMITATION OF LIABILITY.** Notwithstanding any damages that you might incur, the entire liability of HP and its suppliers under this EULA and your exclusive remedy under this EULA will be limited to the greater of the amount actually paid by you for the Product or U.S. \$5.00. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL HP OR ITS SUPPLIERS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES (INCLUDING DAMAGES FOR LOST PROFITS, LOST DATA, BUSINESS INTERRUPTION, PERSONAL INJURY, OR LOSS OF PRIVACY) RELATED IN ANY WAY TO THE USE OF OR INABILITY TO USE THE SOFTWARE, EVEN IF HP OR ANY SUPPLIER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND EVEN IF THE ABOVE REMEDY FAILS OF ITS ESSENTIAL PURPOSE. Some states or other jurisdictions do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.
9. **U.S. GOVERNMENT CUSTOMERS.** If you are a U.S. Government entity, then consistent with FAR 12.211 and FAR 12.212, Commercial Computer Software, Computer Software Documentation, and Technical Data for Commercial Items are licensed under the applicable HP commercial license agreement.
10. **COMPLIANCE WITH EXPORT LAWS.** You will comply with all laws, rules, and regulations (i) applicable to the export or import of the Software, or (ii) restricting the Use of the Software, including any restrictions on nuclear, chemical, or biological weapons proliferation.
11. **RESERVATION OF RIGHTS.** HP and its suppliers reserve all rights not expressly granted to you in this EULA.

Rev. 11/06

About the ink cartridges

Dynamic security enabled printer. This printer is intended to work only with cartridges that have a new or reused HP chip, and it uses dynamic security measures to block cartridges using a non-HP chip. Periodic firmware updates will maintain the effectiveness of these measures and block cartridges that previously worked.

A reused HP chip enables the use of reused, remanufactured, and refilled cartridges. For more information go to the HP website at the following link: <http://www.hp.com/learn/ds>.

This printer is not designed to use continuous ink systems. To resume printing, remove any continuous ink system and install genuine HP (or compatible) cartridges.

This printer is designed for ink cartridges to be used until they are empty. Refilling cartridges prior to depletion might cause your printer to fail. If this happens, insert a new cartridge (genuine HP or compatible) to continue printing.

Open-source software

This product includes software developed by OpenSSL Project for use in the OpenSSL Toolkit (<http://www.openssl.org>).

This product includes software written by Tim Hudson (tjh@cryptsoft.com).

This software includes cryptographic software written by Eric Young (eay@cryptsoft.com).

Regulatory notices

HP provides regulatory, safety and environmental information that is compliant with U.S., Canadian, and international regulations.

Regulatory Model Number

For regulatory identification purposes, your product is assigned a Regulatory Model Number.

The Regulatory Model Number for your product is **BCLAA-2201**. This regulatory number should not be confused with the marketing name (such as HP DesignJet Printer) or product number (such as Z####X, where Z and X are any single letter and # is any number).

SDS (safety data sheets)

You can obtain current safety data sheets for the ink systems used in the printer by accessing the HP website.

For more information, see the HP website at the following link: <http://www.hp.com/go/msds>

Ecological

HP is committed to helping customers reduce their environmental footprint.

Eco-tips

HP has provided the Eco-tips below to help you focus on ways to assess and reduce the impact of your printing choices.

In addition to specific features in this product, for more information on HP's environmental initiatives, please visit the HP Eco Solutions website at the following link: <http://www.hp.com/go/sustainability>.

Environmental product stewardship program

HP is committed to providing quality products in an environmentally sound manner. Design for recycling has been incorporated into this product.

The number of materials has been kept to a minimum while ensuring proper functionality and reliability. Dissimilar materials have been designed to separate easily. Fasteners and other connections are easy to locate, access, and remove using common tools. High-priority parts have been designed to be accessed quickly for efficient disassembly and repair. For more information, visit HP's Commitment to the Environment website at the following link: <http://www.hp.com/go/sustainability>

Plastics

Plastic parts over 25 grams are marked according to international standards that enhance the ability to identify plastics for recycling purposes at the end of product life.

Recycling program

HP offers an increasing number of product return and recycling programs in many countries/regions, and partners with some of the largest electronics recycling centers throughout the world.

HP conserves resources by reselling some of its most popular products. For more information regarding recycling of HP products, see the HP website at the following link: <http://www.hp.com/go/recycle>.

Electronic hardware recycling

HP encourages customers to recycle used electronic hardware.

For more information about recycling programs, see the HP website at the following link: <http://www.hp.com/recycle/>.

Handling ink cartridges

Observe precautions when handling ink cartridges because they are ESD-sensitive devices.

⚠ **CAUTION:** Avoid touching pins, leads, or circuitry.

Handling printheads

Observe precautions when handling printheads because they are ESD-sensitive devices.

⚠ **CAUTION:** Avoid touching pins, leads, or circuitry.

California

Batteries are considered hazardous waste in California when they are discarded.

Attention California users:

The real-time clock battery supplied with this product may contain perchlorate material. Special handling may apply when recycled or disposed of in California.

For more information, see the HP website at the following link: <http://www.dtsc.ca.gov/hazardouswaste/perchlorate/>.

Atención a los usuarios de California:

La pila del reloj en tiempo real proporcionada con este producto puede contener perclorato. Podría requerir manipulación especial cuando sea reciclada o desechada en California.

Para obtener más información, consulte el sitio web de HP en el siguiente enlace: <http://www.dtsc.ca.gov/hazardouswaste/perchlorate/>.

Netherlands—Battery disposal

Batteries are delivered with this product. When discharged, do not throw them away, but collect them as small chemical waste.

Bij dit product zijn batterijen geleverd. Wanneer de batterijen leeg zijn, dient u deze niet als huisvuil weg te gooien, maar als KCA in te leveren.

Taiwan

Battery disposal

Battery directive

This product contains a battery that is used to maintain data integrity of real-time clock or product settings and is designed to last the life of the product.

Any attempt to service or replace this battery should be performed by a qualified service technician.

Lithium battery

This HP product contains a lithium battery located on the main board that may require special handling at the end of its life.

Chemical substances

HP is committed to providing our customers with information about the chemical substances in our products as needed to comply with legal requirements such as REACH (Regulation EC No. 1907/2006 of the European Parliament and the Council).

A chemical information report for this product can be found on the HP website at the following link: <http://www.hp.com/go/reach/>.

EU, India–Disposal of waste equipment by users

You should protect human health and the environment by handing over your waste equipment to a designated collection point for the recycling of waste electrical and electronic equipment

This symbol means do not dispose of your product with your other household waste. For more information, see the HP website at the following link: <http://www.hp.com/recycle/>.

Förgun notenda á búnaðarúrgangi (ESB, Indland)

Þetta tákn þýðir að ekki má farga vörinni með heimilissorpi.

Í stað þess ættirðu að vernda heilsu manna og umhverfið með því að skila búnaðarúrgangnum á tilgreinda móttökustöð fyrir endurvinnslu á raf- og rafeindabúnaðarúrgangi. Frekari upplýsingar má finna á <http://www.hp.com/recycle/>.

Rimi ta' skart magħmul minn tagħmir mill-utenti (UE, l-Indja)

Dan is-simbolu ifisser tarmix il-prodott tiegħek ma' skart ieħor tad-dar tiegħek.

Minflok, għandek tippoteġi s-saħħa tal-bniedem u l-ambjent billi tiegħu t-tagħmir għar-rimi tiegħek f'punt ta' ġbir nominat għar-riċiklaġġ ta' tagħmir elettriku u elettroniku għar-rimi. Għal iktar informazzjoni, mur fuq <http://www.hp.com/recycle/>.

Korisniċko odlaganje otpadne opreme (EU, Indija)

Ovaj simbol znači da proizvod ne smijete odlagati s ostalim kućanskim otpadom.

Umjesto toga, trebali biste čuvati ljudsko zdravlje i okoliš odnošenjem otpadne opreme u prikupljalište namijenjeno za recikliranje otpadne električne i elektroničke opreme. Dodatne informacije naći ćete na adresi <http://www.hp.com/recycle/>.

Avhending av brukt utstyr fra brukere (EU, India)

Dette symbolet betyr at du ikke skal kaste produktet sammen med annet husholdningsavfall.

I stedet bør du beskytte menneskers helse og miljøet ved å levere avfallet til et innsamlingspunkt for resirkulering av elektrisk og elektronisk utstyr. For mer informasjon, kan du gå til <http://www.hp.com/recycle/>

Kassering av avfallsutrustning för användare (EU, Indien)

Denna symbol betyder att produkten inte bör kasseras med annat hushållsavfall.

Skydda istället miljön och människors hälsa genom att lämna över din avfallsutrustning till ett utsett samlingsställe för återvinning av avfall från elektriska och elektroniska produkter. Gå till <http://www.hp.com/recycle/> för mer information.

Изхвърляне на отпадъчно оборудване от потребители (ЕС, Индия)

Този символ означава, че не трябва да изхвърляте продукта заедно с другите битови отпадъци.

Вместо това трябва да защитите човешкото здраве и околната среда, като предадете отпадъчното оборудване в определен събирателен пункт за рециклиране на отпадъчно електрическо и електронно оборудване. За повече информация посетете <http://www.hp.com/recycle/>.

Lietotāju veikta atkritumu utilizācija (ES, Indija)

Šis simbols norāda, ka jūsu produktu nedrīkst izmest kopā ar mājsaimniecības atkritumiem.

Tā vietā jūsu pienākums ir aizsargāt cilvēku veselību un vidi, nogādājot atkritumus norādītajā elektrisko un elektronisko aprīkojumu atkritumu savākšanas punktā. Vairāk informācijas skatiet šeit: <http://www.hp.com/recycle/>.

Seadmete jātmete kōrvaldamine kasutajate poolt (EL, India)

See sūmbol tāhendab, et tootest ei tohi vabaneda koos muude olmejāatmetega.

Selle asemel peaksite kaitsma inimeste tervist ja keskkonda, viies seadmete jātmed selleks māaratud elekti- ja elektroonikaseadmete jātmete ringlussevōtu kogumispunkti. Vaadake lisateavet lehelt <http://www.hp.com/recycle/>.

Jātteeksi luokiteltavan laitteen hävittäminen (EU, Intia)

Tämä merkki tarkoittaa, että tuotetta ei saa hävittää muun talousjätteen mukana.

Terveys- ja ympäristövaarat voi välttää luovuttamalla jätteeksi luokiteltavan laitteen sille määrättyyn sähkö- ja elektroniikkalaitteiden kierrätyspisteeseen. Lisätietoja on osoitteessa <http://www.hp.com/recycle/>.

Eliminarea deșeurilor de echipamente de către utilizatori (UE, India)

Acest simbol înseamnă că produsul nu trebuie eliminat împreună cu deșeurile menajere.

În schimb, trebuie să protejați sănătatea persoanelor și mediul, predând deșeurile de echipamente la un punct de colectare desemnat pentru reciclarea deșeurilor de echipamente electrice și electronice. Pentru informații suplimentare, vizitați <http://www.hp.com/recycle/>.

FCC statements (U.S.A.)

The U.S. Federal Communications Commission (in 47 cfr15.105) has specified that the following notices be brought to the attention of users of this product.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Shielded cables: Use of shielded data cables is required to comply with the Class B limits of Part 15 of the FCC Rules.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult your dealer or an experienced radio/TV technician.

For further information, contact:

Manager of Corporate Product Regulations

HP Inc.

1501 Page Mill Road Palo Alto, CA

94304, USA

(650) 857-1501

Exposure to radio frequency radiation

The radiated output power of this device is far below the FCC radio frequency exposure limits.

CAUTION: Nevertheless, the device shall be used in such a manner that the potential for human contact during normal operation is minimized. This product and any attached external antenna, if supported, shall be placed in such a manner to minimize the potential for human contact during normal operation. In order to avoid the possibility of exceeding the FCC radio frequency exposure limits, human proximity to the antenna shall not be less than 20 cm (8 in) during normal operation.

Information regarding ENERGY STAR®

ENERGY STAR and the ENERGY STAR trademark are registered U.S. trademarks.

To determine the ENERGY STAR qualification of this product, see the HP website at the following link: <http://www.hp.com/go/energystar/>.

Power consumption

HP printing and imaging equipment marked with the ENERGY STAR® logo is qualified to the U.S. Environmental Protection Agency's ENERGY STAR specifications for imaging equipment.

The following mark will appear on ENERGY STAR qualified imaging products:

Additional ENERGY STAR qualified imaging product model information is listed on the HP website at the following link: <http://www.hp.com/go/energystar/>.

Canada

Under Industry Canada regulations, this radio transmitter may only operate using an antenna of a type and maximum (or lesser) gain approved for the transmitter by Industry Canada.

Normes de sécurité (Canada)

Le présent appareil numérique n'émet pas de bruits radioélectriques dépassant les limites applicables aux appareils numériques de Classe B prescrites dans le règlement sur le brouillage radioélectrique édicté par le Ministère des Communications du Canada.

DOC statement (Canada)

This digital apparatus does not exceed the Class B limits for radio noise emissions from digital apparatus set out in the Radio Interference Regulations of the Canadian Department of Communications.

Notice to users in Canada

Under Industry Canada regulations, this radio transmitter may only operate using an antenna of a type and maximum (or lesser) gain approved for the transmitter by Industry Canada.

To reduce potential radio interference to other users, the antenna type and its gain should be so chosen that the equivalent isotropically radiated power (e.i.r.p.) is not more than that necessary for successful communication.

This device complies with Industry Canada licence-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

WARNING! Exposure to Radio Frequency Radiation. The radiated output power of this device is below the Industry Canada radio frequency exposure limits. Nevertheless, the device should be used in such a manner that the potential for human contact is minimized during normal operation.

To avoid the possibility of exceeding the Industry Canada radio frequency exposure limits, human proximity to the antennas should not be less than 20 cm ((8 inches)).

Note à l'attention des utilisateurs canadiens

Conformément au Règlement d'Industrie Canada, cet émetteur radioélectrique ne peut fonctionner qu'avec une antenne d'un type et d'un gain maximum (ou moindre) approuvé par Industrie Canada.

Afin de réduire le brouillage radioélectrique potentiel pour d'autres utilisateurs, le type d'antenne et son gain doivent être choisis de manière à ce que la puissance isotrope rayonnée équivalente (p.i.r.e.) ne dépasse pas celle nécessaire à une communication réussie.

Cet appareil est conforme aux normes RSS exemptes de licence d'Industrie Canada. Son fonctionnement dépend des deux conditions suivantes : (1) cet appareil ne doit pas provoquer d'interférences nuisibles et (2) doit accepter toutes interférences reçues, y compris des interférences pouvant provoquer un fonctionnement non souhaité de l'appareil.

AVERTISSEMENT relatif à l'exposition aux radiofréquences. La puissance de rayonnement de cet appareil se trouve sous les limites d'exposition de radiofréquences d'Industrie Canada. Néanmoins, cet appareil doit être utilisé de telle sorte qu'il soit mis en contact le moins possible avec le corps humain.

Afin d'éviter le dépassement éventuel des limites d'exposition aux radiofréquences d'Industrie Canada, il est recommandé de maintenir une distance de plus de 20 cm entre les antennes et l'utilisateur.

Aviso para los usuarios de México

La operación de este equipo está sujeta a las siguientes dos condiciones: (1) es posible que este equipo o dispositivo no cause interferencia perjudicial y (2) este equipo o dispositivo debe aceptar cualquier interferencia, incluyendo la que pueda causar su operación no deseada.

Para saber el modelo de la tarjeta inalámbrica utilizada, revise la etiqueta regulatoria de la impresora.

Argentina

La ficha de alimentación funciona como dispositivo de desconexión, la misma debe ser conectada a un tomacorriente fácilmente accesible luego de la instalación del aparato.

Aviso aos usuários no Brasil

Este equipamento não tem direito à proteção contra interferência prejudicial e não pode causar interferência em sistemas devidamente autorizados.

Brazil–WEEE Statement

Não descarte o produto eletrônico em lixo comum.

Este produto eletrônico e seus componentes não devem ser descartados no lixo comum, pois embora estejam em conformidade com padrões mundiais de restrição a substâncias nocivas, podem conter, ainda que em quantidades mínimas, substâncias impactantes ao meio ambiente. A não observância dessa orientação sujeitará o infrator às sanções previstas em lei.

Após o uso, as pilhas e/ou baterias dos produtos HP deverão ser entregues ao estabelecimento comercial ou rede de assistência técnica autorizada pela HP.

Para maiores informações, inclusive sobre os pontos de recebimento, consulte o site da HP no seguinte link: <http://www.hp.com.br/reciclar>.

Product Noise Emissions

Sound pressure level at bystander position (LpA per ISO 7779) is < 70 dB (A).

EU-ERP Lot 6 Auto-Off statement Class B

Use the printer's auto-off feature to turn the printer off automatically. For example, setting an auto-off of 2 hours would turn the printer off after 2 hours of inactivity. In this way you can save energy.

 **NOTE:** The printer's auto-off feature is disabled automatically if it is connected to a network, to avoid disrupting the workflow.

European Union and United Kingdom regulatory notice

Products bearing the CE and UK marking comply with the EU Directives and the equivalent UK Statutory Instruments as may be applicable.

They comply with the following:

- RED 2014/53/EU
- RoHs Directive 2011/65/EU
- Ecodesign Directive 1999/5/EC

Compliance with these directives implies conformity to applicable harmonized European standards (European Norms) that are listed in the EU and UK Declaration of Conformity issued by HP for this product or product family and available (in English only) either within the product documentation or as seen on the HP website at the following link: <http://www.hp.com/go/certificates> (search by the product model name or its Regulatory Model Number (RMN), which may be found on the regulatory label). Compliance is indicated by one of the following conformity markings placed on the product:

CE and UK compliance of this product is valid only if powered with the correct CE and UK-marked AC adapter provided by HP.

HP DesignJet T850/T950 Printer series are specified to work in the wireless frequency bands of: 2.4 GHz and 5 GHz (802.11 a/b/g/n/ac).

Frequency bands in which the radio equipment operates: 2400-2483.5 MHz and 5170-5710 MHz.

Maximum radio-frequency power transmitted in the frequency band(s) in which the radio equipment operates: Less than 20 dBm.

The point of contact for regulatory matters is:

HP Deutschland GmbH, HQ-TRE, Schickardstrasse 32, 71034 Böblingen, Germany

EU and UK radio restrictions

Using this WLAN application outdoors might lead to interference issues with existing radio services.

 **IMPORTANT:** IEEE 802.11x wireless LAN with 5.15-5.35 GHz frequency band is restricted for **indoor use only** in all countries reflected in the matrix.

Denmark

For tilslutning af de øvrige ledere, se medfølgende installationsvejledning.

Turkey WEEE

Türkiye Cumhuriyeti: AEEE Yönetmeliğine Uygundur

Republic of Turkey: In conformity with the EEE Regulation

Russia—Notice to users

Существуют определенные ограничения по использованию беспроводных сетей (стандарта 802.11 b/g) с рабочей частотой 2,4 ГГц: Данное оборудование может использоваться внутри помещений с использованием диапазона частот 2400-2483,5 МГц (каналы 1-13). При использовании внутри помещений максимальная эффективная изотропно-излучаемая мощность (ЭИИМ) должна составлять не более 100мВт.

India–Restriction of Hazardous Substances

This product, as well as its related consumables and spares, complies with the reduction in hazardous substances provisions of the "India E-waste Rule 2016". It does not contain lead, mercury, hexavalent chromium, polybrominated biphenyls, or polybrominated diphenyl ethers in concentrations exceeding 0.1 weight % and 0.01 weight % for cadmium, except where allowed pursuant to the exemptions set in Schedule 2 of the Rule.

China - EMI Statement Class B

本设备符合中国无线电干扰技术标准信息技术设备 B 级发射限值要求。

China–Altitude

仅适用于海拔 2000 米以下地区安全使用

China–Restriction of Hazardous Substances

产品中有害物质或元素的名称及含量

根据中国《电器电子产品有害物质限制使用管理办法》

China–Restriction of Hazardous Substances

| 部件名称 | 有害物质 | | | | | |
|-------------|--------|--------|--------|--------------|-----------|--------------|

本表格依据 SJ/T 11364 的规定编制。

0: 表示该有害物质在该部件所有均质材料中的含量均在 GB/T 26572 规定的限量要求以下。

X: 表示该有害物质至少在该部件的某一均质材料中的含量超出 GB/T 26572 规定的限量要求。

此表中所有名称中含“X”的部件均符合欧盟 RoHS 立法。

注：环保使用期限的参考标识取决于产品正常工作的温度和湿度等条件。

Taiwan—Notice to users

低功率電波輻射性電機管理辦法

第十二條

經型式認證合格之低功率射頻電機，非經許可，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。

第十四條

低功率射頻電機之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前項合法通信，指依電信法規定作業之無線電通信。低功率射頻電機須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。
