

Patrick Harr

Vice President, Cloud Solutions
Hewlett-Packard Company

Patrick Harr serves as worldwide vice president for Cloud Solutions at HP. In this role, Harr is responsible for defining and driving HP's cloud strategy, and he oversees the company's cloud portfolio.

Harr has more than 17 years of management experience with Global 1,000 companies, including start-up organizations. Prior to joining HP in 2010, he held an executive position at VMware, leading sales and marketing for desktop solutions.

Harr also has held executive leadership positions in companies including Preventsys, McData, Sanera, CacheFlow and Novell. He also founded and served as chief executive officer of Nirvanix, a leading enterprise cloud storage start-up.
