

## Glenn Keels

Director of Marketing, Hyperscale Business Unit,  
Industry Standard Servers and Software  
Hewlett-Packard Company

---

Glenn Keels is director of worldwide marketing for HP's Hyperscale Business Unit as a part of the Industry Standard Servers and Software organization.

He is responsible for lifecycle marketing of HP ProLiant servers, and the market's broadest range of converged infrastructure products, services and solutions.

Keels rejoined HP with over 15 years of enterprise solutions marketing experience. Most recently, he led worldwide server product marketing for Cisco Systems and Dell. He first joined HP in 1994, leading Services Marketing for Compaq ProLiant servers after more than 10 years of service as an enlisted soldier then officer in the U.S. Army.

Keels holds a bachelor's degree from Tarleton State University and is a Distinguished Military Graduate of Texas A&M University.
